#### General:

- 2% poverty alleviation tax on individuals/businesses with income of PKR300Mn & above is proposed to be implemented from tax year 2022
- Tax on small companies, banks and other companies have been changed as part of the proposal (please refer to annexure)
- Income tax for business/salaried individuals has been changed such that tax has been reduced at lower slabs but increased for higher slabs (please refer annexure)
- Listed companies will no longer be allowed to adjust input sales tax in excess of 90% of the output tax
- The condition of CNIC/NTN in case of supply to unregistered person have been removed.
- Companies will now be entitled to deduct input sales tax paid on supplies made to un-registered person, on pro-rata basis, for which sale invoices do not bear the NIC number or NTN
- Construction machinery, equipment and specialized vehicles imported on temporary basis as required for the construction of project is now sales tax exempt
- Retailer other than tier 1 retailer shall be charged fixed sales tax based on their monthly electricity bill (that shall be collected by their respective power utility though the electricity bill)
- Adjustable advance tax imposed on international card payments at 1% (2% in case of non-filers)

#### **Capital Markets:**

- Tax credit under section 62, 62A and 63 which provided tax credit on investment in shares, mutual funds and VPS has been withdrawn. This will be a setback to the goal of increasing the number of investors in capital markets, further lowering saving rates in the country which is already one of the lowest in South Asia
- An amount in excess of 50% of contribution made by a business to an approved gratuity fund, an approved pension fund or an approved superannuation fund will not be an allowed deduction when calculating taxable income
- Accumulated balance received from the voluntary pension system in-case of retirement, disability or death will be 100% exempt from income tax (Previously 50% was exempt)
- Tax reduced on Behbood certificates, Pensioners benefit account and Shuhada family welfare account reduced from 10% to 5%
- Capital gain on disposal of securities has increased (please refer to annexure)

#### Real Estate:

• Any person who has more than one residential properties (non-business, non-agriculture property) and the fair market value of these properties (apart from his one residential property) exceeds PKR25mn. Then he shall be charged 1% of the fair market value of such properties

- Capital value tax of 1% shall be charged on assets held abroad by resident individual where the value of such assets exceeds rupees PKR100Mn
- REIT Scheme are entitled to income tax exemption subject to distribution of 90% of accounting income. It has been proposed to allow adjustment of accumulated losses against accounting income to address impracticality associated with profit distribution by the Schemes, who having incurred accounting losses in previous tax years are not able to meet the said exemption crite ria owing to lower retained earnings/ accumulated profits
- Interest incurred on housing finance is no longer a tax-deductible allowance

## **Sectors Changes**

### Banks:

• It is proposed to increase income tax on banks by 8% from 39% to 47%

Proposed	CY22	CY23
Corporate tax rate	35%	45%
Supertax	4%	0%
Poverty alleviation tax	2%	2%
Total	41%	47%
Current		
Corporate tax rate	35%	35%
Supertax	4%	4%
Poverty alleviation tax	0%	0%
Total	39%	39%

• Additionally, tax rate of banks with lower Advances/Deposit ratio has been increased

Advance/Deposit	Additional tax			
Auvance/Deposit	Current	Proposed		
Between 40% to 50%	2.5%	4.0%		
Below 40%	5.0%	10.0%		

- Ijarah Sukuk issuance target for next year has been set at PKR1,200Mn, down 30% from PKR1,725bn for FY22
- Euro Bond/International Sukuk issuance target for FY23 has been set at PKR372bn, up 9% from PKR343bn for FY22

### Autos:

- Agriculture tractors now made sales tax exempt previously they were taxed at 5%
- Import of electric vehicle in CBU condition will now by taxed at 17%, previously 12.5%
