REPORT OF THE FUND MANAGER Meezan Islamic Income Fund (MIIF)

Type of Fund

Open end mutual fund which falls under the Income Fund category.

Objective

The Fund's primary objective is to provide investors with a competitive and stable rate of current income in a Shariah compliant way. A secondary objective is to take advantage of opportunities to realize capital appreciation. The Fund shall seek to provide investors with a rate of total return consistent with a broadly diversified portfolio of long, medium and short term high quality Islamic Income instruments.

Strategy, Investment policy and asset allocation

MIIF invests in Corporate and Sovereign Sukuks (Islamic Bonds), Musharaka and Murabaha instruments, Shariah Compliant spread transactions, Certificate of Islamic Investments, Islamic bank deposits, and other Islamic Income products.

During the year, the focus was on proactive and continuous reallocation between high yield instruments, so as to maximize fund yield, while maintaining a balance within the risk management constraints. Term Deposits were also placed in order to lock in relatively higher profit rates.

Sector Allocation as on June 30, 2019 and 2020

Performance Review

During FY20, Meezan Islamic Income Fund (MIIF) provided a full year return of 11.57% as compared to its benchmark return of 6.33%. The fund manager remained on a continuous look out for deployment opportunities in high quality corporate Sukuks and investments were made in Sukuks issued by companies in the Chemicals, Pharmaceuticals, Fertilizer, Textile and Power sector during the year. In line with monetary easing expectations, TDRs above three months' tenor were placed during the year. The fund has three non performing Sukuks currently (Sukuks of Eden Housing Limited, Security Leasing Company Limited and Arzoo Textile Mills Limited) but it is pertinent to note that these stand fully provided for; a case for Arzoo Textile Mills Limited Sukuks is already under contestation in the courts, for Eden Housing Limited, Bank Islami is currently in the process of filing a case against the company since rescheduling terms could not be agreed and for Security Leasing Company Limited, negotiations have not been very fruitful so it appears that the most likely way forward will be procession of legal proceedings

against the company but the Sukuks holders are yet to reach a conclusion on the matter. As at year end, the fund was invested 53% in Islamic Sukuks, 19% in Modarabas and DFIs and other 28% in Islamic Bank Deposits including other receivables.

The Fund earned a gross income of Rs. 2,658 million, which was primarily due to profit on Sukuks certificates amounting worth Rs. 952 million. Profit on saving accounts at Islamic banks contributed Rs. 1,332 million, profit on musharakah certificates Rs. 130 million, Profit on Bai Muajjal Rs. 194 million while realized gain on sale of Sukuks certificates was Rs. 29 million. On the other side, the fund incurred unrealized appreciation worth Rs. 18 million. The fund also incurred expenses totalling to Rs. 386 million, which brought the net income figure to Rs. 2,272 million. The net assets of the Fund as at June 30, 2020 were Rs. 27,776 million as compared to Rs. 9,471 million at the end of last year depicting an increase of 193%. The net asset value per unit as at June 30, 2020 was Rs. 51.47 (Ex-Dividend) as compared to Rs. 51.44 per unit as on June 30, 2019.

	MIF	Benchmark
Net Asset Value as on June 30, 2019	51.44	
Net Asset Value as on June 30, 2020	51.47	
Return for the year	11.57%	6.33%
Outperformance	5.23%	

Fund Rating

VIS Credit Rating Company has assigned Stability Rating of A (f) to Meezan Islamic Income Fund.

Distributions

The interim distribution in the form of cash dividend by the Fund during the fiscal year ended June 30, 2020 was Rs. 5.89 per unit (11.77%). Total distribution made by the fund was Rs. 2,826 million.

Breakdown of unit holdings by size:

(As on June 30, 2020)

Report of the *Shari'ah* Advisor – Meezan Islamic Income Fund

August 4, 2020/ Dhu'l-Hijjah 13, 1441

Alhamdulillah, the period from July 01, 2019 to June 30, 2020 was the Thirteenth year of operations of Meezan Islamic Income Fund (MIIF) under management of Al Meezan Investment Management Limited (AMIM). We, Meezan Bank Limited, are the *Shari'ah* advisors of the Fund and are issuing the report in accordance with clause 7.2.7 of the Trust Deed of the Fund. The scope of the report is to express an opinion on the *Shari'ah* compliance of the Fund's activity.

In the capacity of *Shari'ah* Advisor, we have prescribed criteria and procedure to be followed in ensuring *Shari'ah* compliance in every investment.

It is the responsibility of the management company of the fund to establish and maintain a system of internal controls to ensure *Shari'ah* compliance with the *Shari'ah* guidelines. Our responsibility is to express an opinion, based on our review, to the extent where such compliance can be objectively verified. A review is limited primarily to inquiries of the management company's personnel and review of various documents prepared by the management company to comply with the prescribed criteria.

In light of the above, we hereby certify that:

- i. We have reviewed and approved the modes of investments of MIIF in light of the *Shari'ah* guidelines.
- ii. All the provisions of the scheme and investments made on account of MIIF by Al Meezan are *Shari'ah* compliant and in accordance with the criteria established.
- iii. On the basis of information provided by the management, all the operation of MIIF for the year ended June 30, 2020 have been in compliance with *Shari'ah* principles.

May Allah bless us with best Tawfeeq to accomplish His cherished tasks, make us successful in this world and in the Hereafter, and forgive our mistakes.

Dr. Muhammad Imran Ashraf Usmani

TRUSTEE REPORT TO THE UNIT HOLDERS

MEEZAN ISLAMIC INCOME FUND

Report of the Trustee pursuant to Regulation 41(h) and Clause 9 of Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008

We, Central Depository Company of Pakistan Limited, being the Trustee of Meezan Islamic Income Fund (the Fund) are of the opinion that Al Meezan Investment Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2020 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund; and
- (iii) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Badiuddin Akber
Chief Executive Officer
Central Depository Company of Pakistan Limited

Karachi, September 25, 2020

INDEPENDENT AUDITOR'S REPORT

To the Unit holders of Meezan Islamic Income Fund

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Meezan Islamic Income Fund (the Fund), which comprise the statement of assets and liabilities as at June 30, 2020, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2020, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S. No.	Key Audit Matter	How the matter was addressed in our audit
1	Net Asset Value (Refer notes 5 and 6 to the financial statements)	
	Investments and balances with banks constitute the most significant component of the net asset value. Investments of the Fund as at June 30, 2020 amounted to Rs 20,666.58 million and balances with banks aggregated to Rs 6,857.317 million. The existence and proper valuation of investments and existence of balances with banks for the determination of NAV of the Fund as at June 30, 2020 was considered a high risk area and therefore we considered this as a key audit matter.	Our audit procedures amongst others included the following: <ul style="list-style-type: none">Tested the design and operating effectiveness of the key controls for valuation of investments;Obtained independent confirmations for verifying the existence of the investment portfolio and balances with banks as at June 30, 2020 and traced it with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed;Re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policies; andObtained bank reconciliation statements and tested reconciling items on a sample basis.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of directors of the management company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

MIL

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with board of directors of the management company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide board of directors of the management company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with board of directors of the management company, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Salman Hussain**.

Chief Executive

Chief Financial Officer

Director

MEEZAN ISLAMIC INCOME FUND
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2020

1 LEGAL STATUS AND NATURE OF BUSINESS

- 1.1 Meezan Islamic Income Fund (the Fund) was established under a Trust Deed executed between Al Meezan Investment Management Limited as the Management Company and Central Depository Company of Pakistan Limited (CDC) as the Trustee. The Trust Deed was executed on September 13, 2006 and was approved by the Securities and Exchange Commission of Pakistan (SECP) under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules) and the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) notified through S.R.O. 1203 (I) / 2008 on November 21, 2008. The Management Company has been licensed by the SECP to act as an Asset Management Company under the NBFC Rules through a certificate of registration issued by the SECP. The registered office of the Management Company of the Fund is situated at Ground Floor, Block 'B', Finance and Trade Centre, Shahrah-e-Faisal, Karachi 74400, Pakistan.
- 1.2 The Fund has been formed to provide the unitholders safe and stable stream of halal income on their investments and to generate superior long-term risk adjusted returns. The Fund shall also keep an exposure in short-term instruments for the purpose of maintaining liquidity and to capitalise on exceptional returns, if available, at any given point of time. Under the Trust Deed all conducts and acts of the Fund are based on Shariah principles. Meezan Bank Limited acts as its Shariah Advisor to ensure that the activities of the Fund are in compliance with the principles of Shariah. The investment objectives and policies are explained in the Fund's offering document.
- 1.3 The Fund is listed on the Pakistan Stock Exchange Limited. Units are offered for public subscription on a continuous basis. The units are transferable and can be redeemed by surrendering them to the Fund. The Fund is categorised as an Open End Shariah Compliant (Islamic) Income Scheme in accordance with Circular 7 of 2009 issued by the SECP.
- 1.4 The Management Company has been assigned a quality rating of AM1 by VIS dated December 31, 2019 (2019: AM1 dated December 29, 2018) and by PACRA dated June 26, 2020. The rating reflects the Company's experienced management team, structured investment process and sound quality of systems and processes. The Fund has been given a stability rating of A(f) by VIS Credit Rating Company Limited.
- 1.5 The title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as the Trustee of the Fund.

2 BASIS OF PRESENTATION

The transactions undertaken by the Fund in accordance with the process prescribed under the Shariah guidelines issued by the Shariah Advisor are accounted for on substance rather than the form prescribed by the aforementioned guidelines. This practice is being followed to comply with the requirements of the accounting and reporting standards as applicable in Pakistan.

3 BASIS OF PREPARATION

3.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and the requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the IFRSs, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

3.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2019. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these financial statements.

3.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

The following amendments would be effective from the dates mentioned below against the respective amendment:

Amendments	Effective date (accounting periods beginning on or after)
- IAS 1 - 'Presentation of financial statements' (amendment)	January 1, 2020
- IAS 8 - 'Accounting policies, change in accounting estimates and errors' (amendment)	January 1, 2020

These amendments may impact the financial statements of the Fund on adoption. The Management is currently in the process of assessing the full impact of these amendments on the financial statements of the Fund.

There are certain other standards, amendments and interpretations that are mandatory for the Fund's accounting period beginning on or after July 1, 2020 but are considered not to be relevant or will not have any significant effect on the Fund's operations and are therefore not disclosed in these financial statements.

3.4 Critical accounting estimates and judgments

The preparation of financial statements in accordance with the accounting and reporting standards as applicable in Pakistan requires the management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates, judgements and associated assumptions are based on historical experience and various other factors including expectations of future events that are believed to be reasonable under the circumstances, the results of which form the basis of making judgements about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The estimates and judgements that have a significant effect on the financial statements of the Fund relate to classification, valuation and impairment of financial assets (notes 4.3 and 6).

3.5 Accounting convention

These financial statements have been prepared under the historical cost convention except for investments classified as 'at fair value through profit or loss' which are measured at fair value.

3.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistani Rupee, which is the Fund's functional and presentation currency.

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

4.1 The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years.

4.2 Cash and cash equivalents

These comprise balances with banks in savings and current accounts, cheques in hand and other short-term highly liquid investments with original maturities of three months or less.

4.3 Financial assets

4.3.1 Classification and subsequent measurement

4.3.1.1 Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- amortised cost
- at fair value through other comprehensive income (FVOCI)
- at fair value through profit or loss (FVPL) based on the business model of the entity

However, IFRS 9 also provides an option whereby securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognized at FVPL. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. Therefore, the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVPL.

4.3.1.2 Equity instruments

Equity instruments are instruments that meet the definition of equity from the issuer's perspective and are instruments that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets.

All equity investments are required to be measured in the "Statement of Assets and Liabilities" at fair value, with gains and losses recognised in the "Income Statement", except where an irrevocable election has been made at the time of initial recognition to measure the investment at FVOCI. The management considers its investment in equity securities being managed as a group of assets and hence has classified them as FVPL. Accordingly, the irrevocable option has not been considered.

The dividend income for equity securities classified under FVPL is recognised in the Income Statement.

Since all investments in equity instruments have been designated as FVPL, the subsequent movement in the fair value of equity securities is routed through the Income Statement.

The Fund can only invest in equity securities for the purpose of spread transactions as approved by Shariah Advisor.

4.3.2 Impairment

The fund assesses on a forward looking basis the expected credit loss (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost and FVOCI. The fund recognises loss allowances for such losses at each reporting date. The measurement of ECL reflects:

- An unbiased and probability weighted amount that is determined by evaluating a range of possible outcomes;
- The time value of money; and
- Reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

4.3.2.1 Impairment loss on debt securities

Provision for non-performing debt securities is made on the basis of time-based criteria as prescribed by the SECP and based on management's assessment made in line with its provisioning policy approved by the Board of Directors of the Management Company in accordance with the guidelines issued by the SECP. Impairment losses recognised on debt securities can be reversed through the Income Statement.

As allowed by the SECP, the Management Company may make provision against debt securities over and above the minimum provision requirement prescribed by the SECP, in accordance with the provisioning policy duly approved by the Board of Directors.

4.3.3 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset. Regular way purchases / sales of assets require delivery of securities within two days from the transaction date as per the stock exchange regulations.

4.3.4 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the Income Statement.

4.3.5 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the Income Statement.

4.3.6 Derivatives

Derivative instruments are initially recognised at fair value and subsequent to initial measurement each derivative instrument is remeasured to its fair value and the resultant gain or loss is recognised in the Income Statement.

4.4 Financial liabilities

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the Income Statement.

4.5 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the 'Statement of Assets and Liabilities' when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

4.6 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

4.7 Net asset value per unit

The Net Asset Value (NAV) per unit as disclosed in the Statement of Assets and Liabilities is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

4.8 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the distributors during business hours of the day when the application is received. The offer price represents the Net Asset Value (NAV) of the units as of the close of that business day plus the allowable sales load, provision of duties and charges and provision for transaction costs, if applicable. The sales load is payable to the distributors and the Management Company.

Units redeemed are recorded at the redemption price prevalent on the date on which the distributors receive redemption applications during business hours on that date. The redemption price represents the NAV per unit as on the close of business day less any duties, taxes, charges on redemption and any provision for transaction costs, if applicable.

4.9 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

4.10 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between Net Asset Value (NAV) per unit on the issuance or redemption date, as the case may be, of units and the NAV per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend NAV of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

4.11 Revenue recognition

- Gains / (losses) arising on sale of investments are recorded at the date at which the transaction takes place.
- Profit on saving account with banks is recognised on time proportion basis using the effective yield method.
- Income on sukuk certificates, term deposit receipts, musharakah certificates and government securities is recognised on time proportion basis using the effective yield except for the securities which are classified as Non-Performing Asset under Circular No. 33 of 2012 issued by SECP for which the profits are recorded on cash basis.
- Unrealised gains / (losses) arising on re-measurement of investments classified as 'financial assets at fair value through profit or loss' are recorded in the period in which these arise.
- Income on bai muajjal is recognised on time proportion basis, the difference between the sale and the credit price is recognised over the credit period.

4.12 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee of the SECP are recognised in the Income Statement on an accrual basis.

4.13 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit. The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilised. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse, based on enacted tax rates.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unitholders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. Moreover, super tax introduced in the Finance Act, 2015 is also not applicable on funds (Section 4B of the Income Tax Ordinance, 2001).

4.14 Earnings / (loss) per unit

Earnings / (loss) per unit is calculated by dividing the net income / (loss) of the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings / (loss) per unit (EPU) has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

4.15 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the Income Statement.

5	BALANCES WITH BANKS	Note	2020	2019
----- Rupees in '000 -----

* In case of debt securities against which provision has been made, these are carried at carrying value less provision.

6.1.2.1 The nominal value of these sukuk certificates is Rs 5,000 each except for the sukuk certificates of Eden Housing Limited having nominal value of Rs 984.375, International Brands Limited, AGP Limited, Javedan Corporation Limited, Engro Fertilizer Limited, Engro Polymer and Chemicals Limited and Hub Power Company Limited having nominal value of Rs. 100,000 each and Dubai Islamic Bank Pakistan Limited, Meezan Bank Limited, Shakarganj Food Products Limited, Agha Steel Industries Limited and Masood Textile Mills Limited having nominal value of Rs 1,000,000 each respectively.

6.1.2.2 The Securities and Exchange Commission of Pakistan (SECP) vide circular no. 7 of 2009 dated March 6, 2009 required all Asset Management Companies to classify funds under their management on the basis of categorisation criteria laid down in the circular. Al Meezan Investment Management Limited (the Management Company) classified Meezan Islamic Income Fund (the Fund) as an 'Income Scheme' in accordance with the said circular. As at June 30, 2020, the Fund is compliant with all the requirements of the said circular except for clause 9 (v) which requires the rating of any security in the portfolio shall not be lower than the investment grade.

Following investments of the Funds are in sukuks which are below 'investment grade' securities:

Name of non-compliant investment	Type of Investment	Value of investment before provision	Provision held (if any)	Value of investment after provision	Percentage of	
					Net assets	Total assets
				-----%-----		
				(Rupees in '000)		
Arzoo Textile Mills Limited	Non-traded sukuk certificates	70,000	70,000	-	-	-
Eden Housing Limited	Non-traded sukuk certificates	58,472	58,472	-	-	-
Security Leasing Corporation Limited II	Non-traded sukuk certificates	15,403	15,403	-	-	-
Hascol Petroleum Limited	Non-traded sukuk certificates	138,270	-	138,270	0.50	0.49
Total - June 30, 2020		282,145	143,875	138,270	0.50	0.49
Total - June 30, 2019		143,875	143,875	-	-	-

6.1.2.2.1 On May 6, 2011, Arzoo Textile Mills Limited and Eden Housing Limited sukuk certificates have been classified as non-performing by Mutual Funds Association of Pakistan (MUFAP). Therefore in accordance with the requirement of SECP's Circular No.33 of 2012, the sukuk certificates have been classified as non-performing assets and no further profit has been accrued thereafter. Further, in accordance with the said Circular, an amount of Rs. 70 million and Rs. 58.472 million respectively have also been held as provision against the outstanding principal as at June 30, 2020.

6.1.2.2.2 The agreement with Security Leasing Corporation Limited (SLCL) had been amended on February 19, 2012. In accordance with the revised terms no mark-up is payable on the said sukuk as per the approval of contributories to the sukuk certificate. The sukuk certificates have been classified as non-performing by MUFAP on April 3, 2012. Therefore, in accordance with the requirement of circular no.33 of 2012, the sukuk certificates have been classified as non-performing assets and no further profit has been accrued thereafter. Further, in accordance with the provisioning policy of the Fund, an amount of Rs 15.403 million has also been held as provision against the outstanding principal as at June 30, 2020.

6.1.2.2.3 In accordance with the requirements of SECP's Circular No. 7 of 2009, rating of any debt security in the portfolio of Income Scheme shall not be lower than the investment grade. Sukuk of Hascol Petroleum Limited has been assigned a credit rating of BBB- by VIS dated April 17, 2020 (2019: AA dated April 24, 2019) making it non-compliant.

6.1.2.3 Circular No. 33 of 2012 allows the asset manager to apply a mark up/mark down within available limit for valuation of any specific debt security. Exercising the discretionary power, the above mentioned Sukuks of Javedan Corporation Limited has been valued at a discretionary rate of 99.9978 when the reported market rate on MUFAP valuation sheet as at June 30, 2020 was 102.0045.

6.1.2.4 Sukuk certificates of Agha Steel Industries Limited, Hub Power Company Limited, Power Holding Limited (Pakistan Energy Sukuk II) and K Electric Limited are carried at their cost as they are not valued by MUFAP / at PKISRV.

7 DEPOSITS, PREPAYMENTS AND OTHER RECEIVABLES	Note	2020	2019
		----- (Rupees in '000) -----	
Security deposit with Central Depository Company of Pakistan Limited		100	100
Prepayments		2,966	2,970
Advance tax	7.1	2,881	2,881
Profit receivable on balances with banks		33,027	44,569
Profit receivable on sukuk certificates		201,784	146,371
Profit receivable on certificates of musharakah		58,553	62,091
		<u>299,311</u>	<u>258,982</u>

7.1 As per clause 47(B) of part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to collective investment schemes (CISs) are exempt from withholding tax under section 151 and 150. However, withholding tax on dividend and profit on debt paid to the Fund has been deducted by various withholding agents based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated May 12, 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced before him by the withholder. The tax withheld on profit on debt amounts to Rs. 2.881 million (2019: Rs. 2.881 million).

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. On January 28, 2016, the Board of Directors of the Management Company passed a resolution by circulation, authorising all CISs to file an appeal in the Honourable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company. Accordingly, a petition was filed in the Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other Asset Management Companies) whereby the Supreme Court granted the petitioners leave to appeal from the initial judgement of the SHC. Pending resolution of the matter, the amount of withholding tax deducted on profit received by the Fund on dividends and profit on debt has been shown as other receivables as at June 30, 2020 as, in the opinion of the management, the amount of tax deducted at source will be refunded.

8 PAYABLE TO AL MEEZAN INVESTMENT MANAGEMENT LIMITED	Note	2020	2019
		----- (Rupees in '000) -----	
Management fee payable	8.1	1,038	6,904

	Fee		
- up to Rs. 1 billion	Rs 0.6 million or 0.17% per annum of net assets, whichever is higher.		0.075% p.a. of Net Assets
- Rs 1 billion to Rs. 10 billion	Rs 1.7 million plus 0.085% p.a. of net assets exceeding Rs 1 billion		
- over Rs. 10 billion	Rs 5.1 million plus 0.07% p.a. of net assets exceeding Rs 5 billion		

- 9.2** During the year, an amount of Rs 2.079 million (2019: Rs. 1.157 million) was charged on account of sales tax on remuneration of the Trustee levied through the Sindh Sales Tax on Services Act, 2011 and an amount of Rs. 1.946 million (2019: Rs. 1.151 million) was paid to the Trustee which acts as a collecting agent.

10 PAYABLE TO THE SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN (SECP)

In accordance with the NBFC Regulations, 2008, a collective investment scheme classified as an Income Scheme is required to pay annual fee to the Securities and Exchange Commission of Pakistan.

Effective from July 1, 2019, the SECP vide SRO No. 685(I)/2019 dated June 28, 2019, revised the rate of annual fee to 0.02% of net assets, applicable on all categories of CISs. Previously, the rate of annual fee applicable to income fund was 0.075%. Accordingly, the Fund has charged SECP Fee at the rate of 0.02% of net assets during the current year.

	Note	2020 ----- (Rupees in '000) -----	2019
11 ACCRUED EXPENSES AND OTHER LIABILITIES			
Auditors' remuneration payable		431	430
Printing expenses payable		566	566
Brokerage payable		1,005	159
Shariah advisor fee payable		538	529

Capital gain tax payable		39,898	11,065
Provision for Sindh Workers' Welfare Fund (SWWF)	11.1	85,128	38,755
Zakat payable		172	187
Other Accrued expenses Payable		347	-
Provision for Federal Excise Duty payable on remuneration of the Management Company and related Sindh Sales Tax	11.2	50,417	50,417
Provision for Federal Excise Duty payable on sales load and related Sindh Sales Tax	11.2	2,642	2,642
		<u>344,432</u>	<u>142,719</u>

- 11.1** As a consequence of the 18th amendment to the Constitution of Pakistan, in May 2015 the Sindh Workers' Welfare Fund Act, 2014 (SWWF Act) had been passed by the Government of Sindh as a result of which every industrial establishment located in the Province of Sindh, the total income of which in any accounting year is not less than Rs 0.50 million, was required to pay Sindh Workers' Welfare Fund (SWWF) in respect of that year a sum equal to two percent of such income. The matter was taken up by the MUFAP with the Sindh Revenue Board (SRB) collectively on behalf of various asset management companies and their CISs whereby it was contested that mutual funds should be excluded from the ambit of the SWWF Act as these were not industrial establishments but were pass through investment vehicles and did not employ workers. The SRB held that mutual funds were included in the definition of financial institutions as per the Financial Institution (Recovery of Finances) Ordinance, 2001 and were, hence, required to register and pay SWWF under the SWWF Act. Thereafter, MUFAP had taken up the matter with the Sindh Finance Ministry to have CISs / mutual funds excluded from the applicability of SWWF. In view of the above developments regarding the applicability of SWWF on CISs/mutual funds, MUFAP recommended that, as a matter of abundant caution, provision in respect of SWWF should be made on a prudent basis with effect from the date of enactment of the SWWF Act, 2014 (i.e. starting from May 21, 2015).

Had the provision for SWWF not been recorded in the financial statements of the Fund for the period from May 21, 2015 to June 30, 2020, the net asset value of the Fund as at June 30, 2020 would have been higher by Re. 0.16 per unit (2019: Re 0.21 per unit).

- 11.2** The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 01, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 01, 2016. However, as a matter of abundant caution the provision for FED made for the period from June 13, 2013 till June 30, 2016 amounting to Rs 53.059 million (2019: 53.059 million) is being retained in these financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan. Had the provision for FED not been made, the Net Asset Value of the Fund as at June 30, 2020 would have been higher by Re 0.10 (2019: Re 0.29) per unit.

12 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments outstanding as at June 30, 2020 and June 30, 2019.

13 AUDITORS' REMUNERATION

	2020	2019
	----- (Rupees in '000) -----	-----
Annual audit fee	401	364
Half yearly review	130	137
Fee for other certifications	92	100
Out of pocket expenses	7	43
	<u>630</u>	<u>644</u>

14 TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at June 30, 2020 is 1.81% which includes 0.35% representing government levies on the Fund such as provision for Sindh Workers' Welfare Fund, Sales Taxes, Federal excise Duties, Annual fee to the SECP etc. This ratio is within the maximum limit of 2.5% prescribed under the NBFC Regulations for a collective investment scheme categorised as an Income Scheme.

15 ALLOCATED EXPENSES

In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS).

Until June 19, 2019 there was a maximum cap of 0.1% of the average annual net assets of the scheme or actual whichever is less, for allocation of such expense to the Fund. However, the SECP vide its SRO 639 dated June 20, 2019 removed the maximum cap of 0.1%.

The management company based on its own discretion has currently fixed a maximum capping of 0.1% of the average annual net assets of the scheme for allocation of such expenses to the Fund for the period from July 1, 2019 to July 21, 2019 and 0.15% for the period from July 22, 2019 to June 30, 2020.

16 SELLING AND MARKETING EXPENSES

The SECP has allowed the Asset Management Companies to charge selling and marketing expenses to all categories of open-end mutual funds (except fund of funds) initially for a period of three years (i.e from January 1, 2017 till December 31, 2019). The maximum cap of selling and marketing expense was 0.4% per annum of the net assets of the Fund or actual expenses whichever is lower.

During the current year, the SECP through its circular 11 dated July 5, 2019 has revised the conditions for charging of selling and marketing expenses to a Fund. As per the revised guidelines, the maximum cap of 0.4% per annum has been lifted and now the asset management company is required to set a maximum limit for charging of such expense to the Fund and the same should be approved by the Board as part of annual plan. Furthermore, the time limit of three years has also been removed in the revised conditions.

Accordingly, The Management Company, based on its own discretion has currently determined a capping of 0.4% of the average annual net assets of the fund for charging of selling and marketing expenses to the Fund which has also been approved by the Board.

17 TAXATION

The income of the Fund is exempt from income tax under clause (99) of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unitholders. Since the management has distributed the required minimum percentage of income earned by the Fund for the year ended June 30, 2020 to the unit holders in the manner as explained above, no provision for taxation has been made in these financial statements during the year.

The Fund is also exempt from the provisions of Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. Moreover, super tax introduced in the Finance Act, 2015 is also not applicable on funds as per Section 4B of the Income Tax Ordinance, 2001.

18 TRANSACTIONS WITH RELATED PARTIES / CONNECTED PERSONS

- 18.1** Connected persons include Al Meezan Investment Management Limited being the Management Company, the Central Depository Company of Pakistan (CDC) being the Trustee, Meezan Bank Limited being the holding company of the Management Company, Directors and executives of the Management Company, other collective investment schemes managed by the Management Company, Pakistan Kuwait Investment Company (Private) Limited being the associated company of the Management Company, Al Meezan Investment Management Limited - Employees Gratuity Fund and unit holders holding 10 percent or more of the Fund's net assets.
- 18.2** Transactions with connected persons are executed on an arm's length basis and essentially comprise sale and redemption of units, fee on account of managing the affairs of the Fund, sales load, other charges and distribution payments to connected persons. The transactions with connected persons are in the normal course of business, at contracted rates and at terms determined in accordance with market rates.
- 18.3** Remuneration to the Management Company of the Fund is determined in accordance with the provisions of the NBFC Regulations and the Trust Deed.
- 18.4** Remuneration to the Trustee of the Fund is determined in accordance with the provisions of the Trust Deed.

- 18.5 The details of transactions carried out by the Fund with connected persons during the year and balances with them as at year end are as follows:

20 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

20.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices.

The Management Company manages the market risk through diversification of the investment portfolio and by following the internal guidelines established by the Investment Committee.

Market risk comprises of three types of risks: profit rate risk, currency risk, and price risk.

(i) Profit rate risk

Profit rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market interest rates. As of June 30, 2020, the Fund is exposed to such risk on its balances held with banks, investments in sukuk certificates, commercial papers and certificates of musharakah. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits.

a) Sensitivity analysis for variable rate instruments

Presently, the Fund holds KIBOR based sukuks certificates and balances with banks which expose the Fund to cash flow profit rate risk. In case of 100 basis points increase/decrease in applicable rates on the last repricing date with all other variables held constant, the net income / loss for the year and net assets of the Fund would have been higher/lower by Rs. 220.437 million (2019: Rs. 79.987 million).

b) Sensitivity analysis for fixed rate instruments

As at June 30, 2020, the Fund did not hold any fixed rate instrument that may expose the fund to fair value profit rate risk. In case of 100 basis points increase / decrease in rates announced by the Financial Markets Association of Pakistan for GoP ijarah sukuks and with all other variables held constant, the net income for the year and net assets of the Fund would have been higher / lower by Rs 54.801 million (2019: Rs 14.265 million).

The composition of the Fund's investment portfolio, KIBOR rates and the rates announced by the Financial Markets Association of Pakistan are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2020 is not necessarily indicative of the impact on the Fund's net assets of future movements in interest rates.

Profit rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet instruments is based on the settlement date.

The Fund's profit rate sensitivity related to financial assets and financial liabilities as at June 30, 2020 can be determined as follows:

----- 2020 -----						
Effective yield / profit rate (%)	Exposed to yield / profit rate risk			Not exposed to yield / profit rate risk	Total	
	Up to three months	More than three months and up to one year	More than one year

On-balance sheet gap (a)		9,128,906	296,286	-	189,136	9,614,328
Off-balance sheet financial instruments		-	-	-	-	-
Off-balance sheet gap (b)		-	-	-	-	-
Total interest rate sensitivity gap (a+b)		9,128,906	296,286	-		
Cumulative interest rate sensitivity gap		9,128,906	9,425,192	9,425,192		

(ii) Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

(iii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from profit rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

Equity price risk is the risk that the fair value of equity instruments decreases as a result of changes in the level of equity indices and the value of individual stocks. The Fund does not have any investment in equity securities as of June 30, 2020.

20.2 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligation in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to daily redemptions at the option of unit holders. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is, therefore, to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

As per the NBFC Regulations, the Fund can borrow in the short-term to ensure settlement the maximum limit of which is fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summaries the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity dates. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month:

2020						
Within 1 month	More than one month and upto three months	More than three months and upto one year	More than one year and upto five years	More than 5 years	Financial instruments with no fixed maturity	Total

(Rupees in '000)

--	------------------	------------------	------------------	----------------	------------------	------------	------------------

20.3 Credit risk

20.3.1 Credit risk represents the accounting loss that would be recognised at the reporting date if counter parties fail completely to perform as contracted.

Credit risk arises from deposits with banks and financial institutions, profit receivable on bank deposits, credit exposure arising as a result of investment in debt securities, profit receivable on debt securities, receivable against issuance and conversion and receivable against sale of investments.

Credit risk arising on the debt instruments other than government securities is mitigated by investing in rated instruments or instruments issued by rated counterparties of credit ratings of at least investment grade by the recognised rating agencies. The Fund receives a monthly rating update, against which investments are reviewed. The Fund, however, also invests in unrated instruments based on internal ratings assigned by the Fund manager using an approach that is consistent with the approach used by the rating agencies. Credit risk arising on other financial assets is monitored through a regular analysis of financial position of brokers and other parties. For debt instrument settlement, Delivery versus Payment (DvP) mechanism applied by Trustee of the Fund minimize the credit risk. In accordance with the risk management policy of the Fund, the investment manager monitors the credit position on a daily basis which is reviewed by the Board of Directors of the Management Company on a quarterly basis.

The table below analyses the Fund's maximum exposure to credit risk:

2020		2019	
Balance as per statement of assets and liabilities	Maximum exposure to credit risk	Balance as per statement of assets and liabilities	Maximum exposure to credit risk

(Rupees in '000)

Balance with banks and term deposits	6,857,317	6,857,317	2,971,017	2,971,017
Investments in debt instruments	20,666,580	11,585,190	6,454,219	5,854,219
Receivable against conversion of units	425,168	425,168	3,802	3,802
Deposits and other receivables	293,464	293,464	253,131	253,131
	28,242,529	19,161,139	9,682,169	9,082,169

The maximum exposure to credit risk before any credit enhancement as at June 30, 2020 is the carrying amount of the financial assets. Investment in government securities, however, are not exposed to credit risk and have been excluded from the above analysis as these are guaranteed by the Government of Pakistan.

20.3.2 Credit quality of financial assets

The Fund's significant credit risk (excluding credit risk relating to settlement of equity securities) arises mainly on account of its placements in banks and profit accrued thereon and receivable against conversion of units and against investments, term deposit receipts, certificates of musharakah and investments in sukuk certificates. The credit rating profile of balances with banks is as follows:

Rating	% of financial assets exposed to credit risk	
	2020	2019
AAA	9%	-
AA+	4%	3%
AA-	17%	10%
AA	-	-
A+	69%	-
A	1%	87%
	100%	100%

Ratings of sukuk (other than Government securitites) have been disclosed in related notes to the financial statements. GoP Ijarah Sukuks are government guaranteed.

20.3.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic and industry factors similarly affect groups of counter parties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. The Fund's portfolio of financial instruments is broadly diversified and transactions are entered into with diverse credit worthy counter parties thereby mitigating any significant concentrations of credit risk.

The Fund does not have any collateral against any of the aforementioned assets. The issuer of the Sukuks, however, pledge securities with the investment agent in Trust for the benefit of the Sukuk Holder.

Due to the Fund's long standing business relationships with these counter parties and after giving due consideration to their strong financial standing, management does not expect non-performance by these counter parties on their obligations to the Fund except for Arzoo Textiles Limited Sukuk, Security Leasing Corporation Sukuk and Eden Housing Limited Sukuk (refer note 6).

21 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2020, the Fund held the following financial instruments measured at fair values:

	2020		
	Level 1	Level 2	Level 3
	Rupees in '000		
Financial assets - at fair value through profit or loss			
Sukuk certificates	-	13,586,435	-
Certificates of musharakah*	-	1,600,000	-
Commercial papers**	-	1,522,415	-
Bai Muajjal receivable**	-	3,957,730	-
	-	20,666,580	-

	2019		
	Level 1	Level 2	Level 3
	Rupees in '000		
Financial assets - at fair value through profit or loss			
Sukuk certificates	-	4,277,722	-
Certificates of musharakah*	-	750,000	-
Commercial papers**	-	1,426,497	-
	-	6,454,219	-

* The carrying value of these securities approximate their fair value since these are short term in nature and are placed with counter parties which have high credit ratings.

** The valuation of commercial papers has been done based on amortisation of commercial paper to its face value as per the guidelines given in Circular 33 of 2012 since the residual maturity of this investment is less than six months and they are placed with counterparties which have high credit rating. The commercial papers having maturity slightly more than six months have also been valued on the same basis.

22 UNIT HOLDERS' FUND RISK MANAGEMENT

The unit holders' fund is represented by redeemable units. These units are entitled to dividends and to payment of a proportionate share based on the Fund's Net Asset Value per unit on the redemption date. The relevant movements are shown on the 'Statement of Movement in Unit Holders' Fund'.

The Fund has no restriction on the subscription and redemption of units. As required under the NBFC Regulations, every open end scheme shall maintain fund size (i.e. net assets of the Fund) of Rs 100 million at all times during the life of the scheme. The Fund has historically maintained and complied with the requirement of minimum fund size at all times.

The Fund's objectives when managing unit holders' funds are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies as stated in note 20, the Fund endeavours to invest the subscriptions received in appropriate investment avenues while maintaining sufficient liquidity to meet redemptions, such liquidity being augmented by disposal of investments or short-term borrowings, where necessary.

23 UNIT HOLDING PATTERN OF THE FUND

Category	2020			2019		
	Number of unit holders	Investment amount (Rupees in '000)	Percentage of total	Number of unit holders	Investment amount (Rupees in '000)	Percentage of total
Individuals	16,699	21,524,421	77.49%	8,013	5,843,987	61.70%

27 CORRESPONDING FIGURES

Corresponding figures have been re-classified and re-arranged in these financial statements, wherever necessary to facilitate comparison and to conform with changes in presentation in the current year. No significant rearrangements or reclassifications have been made in these financial statements during the current year.

28 DATE OF AUTHORISATION FOR ISSUE

These financial statements were authorised for issue by the Board of Directors of the Management Company on **August 13, 2020**.

29 GENERAL**29.1 Regulatory reliefs due to COVID - 19**

The COVID – 19 pandemic has taken a toll on all economies and emerged as a contagion risk around the globe, including Pakistan. To reduce the impact on businesses and economies in general, regulators / governments across the globe have introduced a host of measures on both the fiscal and economic fronts.

The Securities and Exchange Commission of Pakistan (SECP) has provided the following relaxations to the asset management companies operating in Pakistan for a specific period:

- a) The time period to regularize the exposure limits breach under Regulation 55(13) of the NBFC Regulations has been extended from four months to six months;
- b) Maximum limit for application of discretionary discount as per the Annexure-I, Chapter 3 of Circular 33 of 2012 has been enhanced;
- c) The time period for classification of a debt security to non-performing category has been extended from 15 days to 180 days as per the requirements of Annexure-II of Circular 33 of 2012;
- d) Time period to ensure compliance with minimum fund size for Open End Schemes under Regulation 54(3b) of the NBFC regulations has been increased to 180 days for Open End Schemes;
- e) Time for announcement of daily NAV as per the regulatory requirement is extended from 18:30 pm to the start of the next working day.

29.2 Operational Risk Management

The Management Company is closely monitoring the situation and has invoked required actions to ensure safety and security of the staff and an uninterrupted service to the customers. Business Continuity Plans (BCP) for respective areas are in place and tested. The Management Company has significantly enhanced monitoring for all cyber security risk during these times from its information security protocols. The remote work capabilities were enabled for critical staff and related risk and control measures were assessed to make sure they are fully protected using virtual private network (“VPN”) connections. Further, the Management Company has also ensured that its remote access systems are sufficiently resilient to any unwanted cyber-attacks.

The Management Company has made an assessment of Covid-19 on the credit risk and liquidity risk and believes that there is no significant impact on the Fund.

29.3 Figures have been rounded off to the nearest thousand Rupee unless otherwise stated.

REPORT OF THE FUND MANAGER Meezan Cash Fund (MCF)

Type of Fund

Open end cash fund investing primarily in Shariah compliant money market and Islamic bonds (Sukuks).

Objective

Its objective is to seek maximum possible preservation of capital and a reasonable rate of return via investing primarily in liquid Shariah compliant money market & debt securities.

Investment Policy and Strategy

The fund provides investors with the opportunity to park their excess liquidity in secure high quality instruments. To minimize the impact of interest rate volatility, the investment policy limits the investment avenues to short term tenors. As per its investment policy, MCF can invest or place funds in instruments/avenues with a credit rating of at least 'double A' (AA). Moreover, the investment policy limits interest rate risk by capping the maturity of instruments up to a maximum of six months, along with maximum portfolio duration of three months.

Sector Allocation as on June 30th 2019 and 2020

Performance Review

Meezan Cash Fund (MCF) provided a return of 10.95% to its investors for the year ended June 30, 2020 as compared to its benchmark return of 5.37%.

	MCF	Benchmark
Net Asset Value as on June 30, 2019	50.47	
Net Asset Value as on June 30, 2020	50.50	
Return During the Period - Net	10.95%	5.37%
Outperformance - Net	5.58%	

Benchmark: 3 Month average deposit rate of 3 AA rated Islamic Banks

The Fund earned a gross income of Rs. 1,404 million as compared to Rs. 1,086 million in last year, which was primarily due to profit on bank deposits, placements and Sukuks amounting to Rs. 1,403 million. The fund also incurred expenses totalling to Rs. 187 million, which brought the net income figure to Rs. 1,217 million. The net assets of the Fund as at June 30, 2020 were Rs. 14,026 million as compared to Rs. 8,851 million at the end of last year depicting an increase of 58%. The net asset value per unit as at June 30, 2020 was Rs. 50.50 (Ex-dividend) as compared to Rs. 50.47 per unit as on June 30, 2019.

Distributions

The interim Pay out by the Fund during the fiscal year ended June 30, 2020 was Rs. 5.48 per unit (10.96 %). Total distribution made by the fund was Rs. 1,406 million.

Fund Stability Rating

VIS Credit Rating Company has assigned Stability Rating of AA (f) to Meezan Cash Fund.

Breakdown of unit holdings by size

(As on June 30, 2020)

Report of the *Shari'ah* Advisor – Meezan Cash Fund

August 4, 2020/ Dhu'l-Hijjah 13, 1441

Alhamdulillah, the period from July 01, 2019 to June 30, 2020 was the Eleventh year of operations of Meezan Cash Fund (MCF) under management of Al Meezan Investment Management Limited (Al Meezan). We, Meezan Bank Limited, are the *Shari'ah* advisors of the Fund and are issuing the report in accordance with clause 8.2.7 of the Trust Deed of the Fund. The scope of the report is to express an opinion on the *Shari'ah* compliance of the Fund's activity.

In the capacity of *Shari'ah* Advisor, we have prescribed criteria and procedure to be followed in ensuring *Shari'ah* compliance in every investment.

It is the responsibility of the management company of the fund to establish and maintain a system of internal controls to ensure *Shari'ah* compliance in line with the *Shari'ah* guidelines. Our responsibility is to express an opinion, based on our review, to the extent where such compliance can be objectively verified. A review is limited primarily to inquiries of the management company's personnel and review of various documents prepared by the management company to comply with the prescribed criteria.

In light of the above, we hereby certify that:

- i. We have reviewed and approved the modes of investments of MCF in light of the *Shari'ah* guidelines.
- ii. All the provisions of the scheme and investments made on account of MCF by Al Meezan are *Shari'ah* compliant and in accordance with the criteria established.
- iii. On the basis of information provided by the management, all the operation of MCF for the year ended June 30, 2020 have been in compliance with *Shari'ah* principles.

May Allah bless us with best Tawfeeq to accomplish His cherished tasks, make us successful in this world and in the Hereafter, and forgive our mistakes.

Dr. Muhammad Imran Ashraf Usmani

TRUSTEE REPORT TO THE UNIT HOLDERS

MEEZAN CASH FUND

Report of the Trustee pursuant to Regulation 41(h) and Clause 9 of Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008

We, Central Depository Company of Pakistan Limited, being the Trustee of Meezan Cash Fund (the Fund) are of the opinion that Al Meezan Investment Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2020 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund; and
- (iii) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Badiuddin Akber
Chief Executive Officer
Central Depository Company of Pakistan Limited

Karachi, September 24, 2020

INDEPENDENT AUDITOR'S REPORT

To the Unit holders of Meezan Cash Fund

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Meezan Cash Fund (the Fund), which comprise the statement of assets and liabilities as at June 30, 2020, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2020, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S.No.	Key Audit Matter	How the matter was addressed in our audit
1	Net Asset Value (Refer notes 5 and 6 to the financial statements)	
	<p>Investments and balances with banks constitute the most significant component of the net asset value. Investments of the Fund as at June 30, 2020 amounted to Rs 4,172.191 million and balances with banks aggregated to Rs 10,054.710 million.</p> <p>The existence and proper valuation of investments and existence of balances with banks for the determination of NAV of the Fund as at June 30, 2020 was considered a high risk area and therefore we considered this as a key audit matter.</p>	<p>Our audit procedures amongst others included the following:</p> <ul style="list-style-type: none"> Tested the design and operating effectiveness of the key controls for valuation of investments; Obtained independent confirmations for verifying the existence of the investment portfolio and balances with banks as at June 30, 2020 and traced it with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed; Ensured that the investments are carried as per the valuation methodology specified in the accounting policies; and Obtained bank reconciliation statements and tested reconciling items on a sample basis.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of directors of the management company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

AM -

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with board of directors of the management company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide board of directors of the management company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with board of directors of the management company, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Salman Hussain**.

MEEZAN CASH FUND
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2020

1 LEGAL STATUS AND NATURE OF BUSINESS

- 1.1** Meezan Cash Fund (the Fund) was established under a trust deed executed between Al Meezan Investment Management Limited (Al Meezan) as the Management Company and Central Depository Company of Pakistan Limited (CDC) as the Trustee. The trust deed was executed on May 14, 2009 and was approved by the Securities and Exchange Commission of Pakistan (SECP) under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (NBFC Rules) and the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (NBFC Regulations). The Management Company has been licensed by the Securities and Exchange Commission of Pakistan (SECP) to act as an Asset Management Company under the Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules) through a certificate of registration issued by the SECP. The registered office of the Management Company of the Fund is situated at Ground Floor, Block 'B', Finance and Trade Centre, Shahrah-e-Faisal, Karachi 74400, Pakistan.
- 1.2** The Fund has been formed to provide the unitholders safe and stable stream of halal income on their investments and to generate superior long term risk adjusted returns. The Fund shall also keep an exposure in short-term instruments for the purpose of maintaining liquidity and to capitalise on exceptional returns, if available, at any given point in time. The Fund shall seek to maximise preservation of capital and a reasonable rate of return via investing primarily in liquid Shariah compliant money market and Shariah compliant debt securities. Under the Trust Deed all the conducts and acts of the Fund are based on Shariah. Meezan Bank Limited (MBL) acts as its Shariah Advisor to ensure that the activities of the Fund are in compliance with the principles of Shariah.
- 1.3** The Fund is categorized as an open-end Shariah Compliant (Islamic) Money Market Scheme listed on the Pakistan Stock Exchange Limited. Units are offered for public subscription on a continuous basis. The units are transferable and can be redeemed by surrendering them to the Fund.
- 1.4** The Management Company has been assigned a quality rating of AM1 by VIS dated December 31, 2019 (2019: AM1 dated December 28, 2018) and by PACRA dated June 26, 2020. The rating reflects the Company's experienced management team, structured investment process and sound quality of systems and processes. Further, VIS has assigned a stability rating of AA(f) to the Fund in its credit rating report dated December 30, 2019.
- 1.5** The title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as the Trustee of the Fund.

2 BASIS OF PRESENTATION

The transactions undertaken by the Fund are in accordance with the process prescribed under the Shariah guidelines issued by the Shariah Advisor and are accounted for on substance rather than the form prescribed by the earlier referred guidelines. This practice is being followed to comply with the requirements of the accounting and reporting standards as applicable in Pakistan.

3 BASIS OF PREPARATION

3.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and the requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the IFRSs, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

3.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2019. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these financial statements.

3.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

The following amendments would be effective from the dates mentioned below against the respective amendment:

Amendments	Effective date (accounting periods beginning on or after)
- IAS 1 - 'Presentation of financial statements' (amendment)	January 1, 2020
- IAS 8 - 'Accounting policies, change in accounting estimates and errors' (amendment)	January 1, 2020

These amendments may impact the financial statements of the Fund on adoption. The Management is currently in the process of assessing the full impact of these amendments on the financial statements of the Fund.

There are certain other standards, amendments and interpretations that are mandatory for the Fund's accounting period beginning on or after July 1, 2020 but are considered not to be relevant or will not have any significant effect on the Fund's operations and are therefore not disclosed in these financial statements.

3.4 Critical accounting estimates and judgments

The preparation of financial statements in accordance with the accounting and reporting standards as applicable in Pakistan requires the management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates, judgements and associated assumptions are based on historical experience and various other factors including expectations of future events that are believed to be reasonable under the circumstances, the results of which form the basis of making judgements about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The estimates and judgements that have a significant effect on the financial statements of the Fund relate to classification, valuation and impairment of financial assets (notes 4.5 and 6).

3.5 Accounting convention

These financial statements have been prepared under the historical cost convention except for investments classified as at fair value through profit or loss' which are measured at their respective fair values.

3.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistani Rupee, which is the Fund's functional and presentation currency.

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

4.1 The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years presented.

4.2 Cash and cash equivalents

These comprise balances with banks in savings and current accounts, cheques in hand and other short-term highly liquid investments with original maturities of three months or less.

4.3 Financial assets

4.3.1 Classification and subsequent measurement

4.3.1.1 Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- amortised cost
- at fair value through other comprehensive income (FVOCI)
- at fair value through profit or loss (FVPL) based on the business model of the entity

However, IFRS 9 also provides an option whereby securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognized at FVPL. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. Therefore the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVPL.

4.3.2 Impairment

The fund assesses on a forward looking basis the expected credit loss (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost and FVOCI. The fund recognises loss allowances for such losses at each reporting date. The measurement of ECL reflects:

- An unbiased and probability weighted amount that is determined by evaluating a range of possible outcomes;
- The time value of money; and
- Reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

4.3.2.1 Impairment loss on debt securities

Provision for non-performing debt securities is made on the basis of time-based criteria as prescribed by the SECP and based on management's assessment made in line with its provisioning policy approved by the Board of Directors of the Management Company in accordance with the guidelines issued by the SECP. Impairment losses recognised on debt securities can be reversed through the Income Statement.

As allowed by the SECP, the Management Company may make provision against debt securities over and above the minimum provision requirement prescribed by the SECP, in accordance with the provisioning policy duly approved by the Board of Directors.

4.3.4 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset. Regular way purchases / sales of assets require delivery of securities within two days from the transaction date as per the stock exchange regulations.

4.3.5 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the Income Statement.

4.3.6 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the Income Statement.

4.4 Financial liabilities

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the Income Statement.

4.5 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the 'Statement of Assets and Liabilities' when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

4.6 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

4.7 Net asset value per unit

The Net Asset Value (NAV) per unit as disclosed in the Statement of Assets and Liabilities is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

4.8 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the distributors during business hours of the day when the application is received. The offer price represents the net assets value of the units as of the close of that business day plus the allowable sales load, provision for duties and charges and provision for transaction costs, if applicable.

Units redeemed are recorded at the redemption price prevalent on the date on which the distributors receive redemption applications during business hours on that date. The redeemed price represents the net assets value per unit less back end load, any duties, taxes, charges on redemption and any provision for transaction costs, if applicable.

4.9 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

4.10 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between Net Asset Value (NAV) per unit on the issuance or redemption date, as the case may be, of units and the NAV per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend NAV of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

4.11 Revenue recognition

- Gains / (losses) arising on sale of investments are recorded at the date at which the transaction takes place.
- Profit on bank deposits and term deposit receipts is recognised on time proportion basis using the effective yield method.
- Unrealised gains / (losses) arising on re-measurement of investments classified as 'financial assets at fair value through profit or loss' are recorded in the period in which these arise.
- Income on sukuk certificates, placements and government securities is recognised on a time proportionate basis using the effective yield method except for the securities which are classified as non-performing asset under Circular 33 of 2012 issued by SECP for which the profits are recorded on cash basis.

4.12 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee of the SECP are recognised in the Income Statement on an accrual basis.

4.13 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit. The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilised. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse, based on enacted tax rates.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001, subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unitholders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. Moreover, super tax introduced in the Finance Act, 2015 is also not applicable on funds (Section 4B of the Income Tax Ordinance, 2001).

4.14 Earnings / (loss) per unit

Earnings / (loss) per unit is calculated by dividing the net income of the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings / loss per unit (EPU) has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

4.15 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the Income Statement.

6.4 Bai Muajjal Receivable

The Fund entered in a Bai Muajjal Transaction with Pak Brunei Investment Company Limited and with United Bank Limited, which have credit rating of AA+ and AAA respectively as rated by VIS, on January 20, 2020 and on March 02, 2020 against K-Electric Limited Commercial Paper III (issued on September 19, 2019) at an effective interest rate of 12.70% and 12.45% respectively. The final payment is agreed to be received on July 20, 2020 and August 31, 2020 respectively. The final transaction price is Rs. 1,038.976 million and 1,055.070 million which includes deferred profit of Rs. 61.876 million and 61.670 million respectively.

6.4.1 The carrying amount of the Bai Muajjal receivable includes accrued profit amounting to Rs. 96.416 million.

7	PROFIT ACCRUED	Note	2020	2019
			(Rupees in '000)	
Profit accrued on:				
	Bank balances		51,042	49,267
	Term deposit receipts		1,621	22,892

8	DEPOSITS AND PREPAYMENTS			
	Security deposit with Central Depository Company of Pakistan Limited		100	100
	Prepayments		283	279
	Initial deposit with Meezan Bank Limited		200	200
			<u>583</u>	<u>579</u>
9	PAYABLE TO AL MEEZAN INVESTMENT MANAGEMENT LIMITED - MANAGEMENT COMPANY			
	Management fee payable	9.1	942	9,192
	Sindh Sales Tax payable on remuneration of the Management Company	9.2	122	1,195
	Selling and marketing expenses payable	9.3	14,990	-
	Allocated expenses payable	9.4	1,982	919
			<u>18,036</u>	<u>11,306</u>

- 9.1** As per regulation 61 of the NBFC Regulations, 2008, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the Offering Document subject to the total expense ratio limit. Keeping in view the maximum allowable threshold, the Management Company has charged its remuneration at the rate of 1% (2019: 1%) per annum of the average net assets from July 1, 2019 to July 21, 2019. Effective from July 22, 2019, the management company has reduced the rate of remuneration from 1% to 0.6% of average annual net assets of the fund. The remuneration is payable to the Management Company monthly in arrears.
- 9.2** During the year, an amount of Rs. 9.688 million (2019: Rs 15.191 million) was charged on account of sales tax on management fee levied through the Sindh Sales Tax on Services Act, 2011, and an amount of Rs. 10.761 million (2019: Rs. 15.074 million) has been paid to the Management Company which acts as a collecting agent.
- 9.3** The SECP has allowed the Asset Management Companies to charge selling and marketing expenses to all categories of open-end mutual funds (except fund of funds) initially for a period of three years (i.e from January 1, 2017 till December 31, 2019). The maximum cap of selling and marketing expense was 0.4% per annum of the net assets of the Fund or actual expenses whichever is lower.

During the year, the SECP through its circular 11 dated July 5, 2019 has revised the conditions for charging of selling and marketing expenses to a Fund. As per the revised guidelines, the maximum cap of 0.4% per annum has been lifted and now the asset management company is required to set a maximum limit for charging of such expense to the Fund and the same should be approved by the Board as part of annual plan. Furthermore, the time limit of three years has also been removed in the revised conditions.

Effective from July 22, 2019, the Management Company has started charging selling and marketing expenses to the Fund. The Management Company, based on its own discretion has currently determined a capping of 0.4% of the average annual net assets of the fund for charging of selling and marketing expenses to the Fund which has also been approved by the Board.

- 9.4** In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS).

Until June 19, 2019 there was a maximum cap of 0.1% of the average annual net assets of the scheme or actual whichever is less, for allocation of such expense to the Fund. However, the SECP vide its SRO 639 dated June 20, 2019 removed the maximum cap of 0.1%.

The management company based on its own discretion has currently fixed a maximum capping of 0.1% of the average annual net assets of the scheme for allocation of such expenses to the Fund for the year from July 1, 2019 to July 21, 2019 and 0.15% for the year from July 22, 2019 to June 30, 2020.

10 PAYABLE TO CENTRAL DEPOSITORY COMPANY OF PAKISTAN LIMITED - TRUSTEE	Note	2020	2019
		(Rupees in '000)	
Trustee fee payable	10.1	860	738
Sindh Sales Tax payable on trustee fee	10.2	112	96
		972	834

- 10.1** The Trustee is entitled to a monthly remuneration for services rendered to the Fund under the provisions of the trust deed. Effective from July 1, 2019, the trustee has revised its tariff as under:

Net Assets (Rs.)	Previous Tariff		Revised Tariff (Flat Rate)
	Fee		
Upto Rs. 1 billion	0.15% per annum of net assets		0.065% per annum of Net Assets.
From Rs. 1 billion to Rs. 10 billion	Rs 1.5 million plus 0.075% per annum of net assets exceeding Rs 1 billion.		
Exceeding Rs. 10 billion	Rs 8.25 million plus 0.06% per annum of net assets exceeding Rs 10 billion.		

Accordingly, the Fund has charged Trustee Fee @ 0.065% per annum during the current year.

- 10.2** During the year, an amount of Rs 1.014 million (2019: Rs 1.204 million) was charged on account of sales tax on remuneration of the Trustee levied through the Sindh Sales Tax on Services Act, 2011 and an amount of Rs 0.998 million (2019: Rs 1.188 million) was paid to the Trustee which acts as a collecting agent.

11 PAYABLE TO THE SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN

In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay annual fee to the Securities and Exchange Commission of Pakistan (SECP).

Effective from July 1, 2019, the SECP vide SRO No. 685(I)/2019 dated June 28, 2019, revised the rate of annual fee to 0.02% of net assets, applicable on all categories of CISs. Previously, the rate of annual fee applicable to money market fund was 0.075%. Accordingly, the Fund has charged SECP Fee at the rate of 0.02% of net assets during the current year.

	Note	2020	2019
		(Rupees in '000)	
12 ACCRUED EXPENSES AND OTHER LIABILITIES			
Auditors' remuneration payable		336	335
Printing expenses payable		111	111
Brokerage payable		511	85
Shariah advisor fee payable		606	472
Withholding tax payable		122,325	39,378
Capital gain tax payable		17,210	5,105
Federal Excise Duty payable on remuneration of the Management Company	12.1	27,018	27,018
Provision for Sindh Workers' Welfare Fund (SWWF)	12.2	55,733	30,896
Other Expenses		389	-
Zakat payable		475	548
		<u>224,714</u>	<u>103,948</u>

- 12.1** The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 1, 2016. However, as a matter of abundant caution the provision for FED made for the period from June 13, 2013 till June 30, 2016 amounting to Rs 27.018 million is being retained in the financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan. Had the provision not been made, the NAV per unit of the Fund would have been higher by Re 0.10 (2019: Re 0.15) per unit.

- 12.2** As a consequence of the 18th amendment to the Constitution of Pakistan, in May 2015 the Sindh Workers' Welfare Fund Act, 2014 (SWWF Act) had been passed by the Government of Sindh as a result of which every industrial establishment located in the Province of Sindh, the total income of which in any accounting year is not less than Rs 0.50 million, was required to pay Sindh Workers' Welfare Fund (SWWF) in respect of that year a sum equal to two percent of such income. The matter was taken up by the MUFAP with the Sindh Revenue Board (SRB) collectively on behalf of various asset management companies and their CISs whereby it was contested that mutual funds should be excluded from the ambit of the SWWF Act as these were not industrial establishments but were pass through investment vehicles and did not employ workers. The SRB held that mutual funds were included in the definition of financial institutions as per the Financial Institution (Recovery of Finances) Ordinance, 2001 and were, hence, required to register and pay SWWF under the SWWF Act. Thereafter, MUFAP had taken up the matter with the Sindh Finance Ministry to have CISs / mutual funds excluded from the applicability of SWWF. In view of the above developments regarding the applicability of SWWF on CISs / mutual funds, MUFAP recommended that, as a matter of abundant caution, provision in respect of SWWF should be made on a prudent basis with effect from the date of enactment of the SWWF Act, 2014 (i.e. starting from May 21, 2015).

Had the provision for SWWF not been recorded in the financial statements of the Fund for the period from May 21, 2015 to June 30, 2020, the net asset value per unit of the Fund as at June 30, 2020 would have been higher by Re 0.20 per unit (2019: Re 0.18 per unit).

13 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments outstanding as at June 30, 2020 and June 30, 2019.

14 AUDITORS' REMUNERATION	2020	2019
	(Rupees in '000)	
Annual audit fee	364	282
Half yearly review	119	152
Other certification fee	-	47
Out of pocket expenses	27	13
	<u>510</u>	<u>494</u>

15 TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at June 30, 2020 is 1.56% which includes 0.32% representing government levies on the Fund such as provision for Sindh Workers' Welfare Fund, sales taxes, annual fee to the SECP etc. This ratio is within the maximum limit of 2% prescribed under the NBFC Regulations for a collective investment scheme categorised as a Money Market scheme.

16 TAXATION

The income of the Fund is exempt from income tax under clause (99) of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unitholders. Since the management has distributed the required minimum percentage of income earned by the Fund for the year ended June 30, 2020 to the unit holders in the manner as explained above, no provision for taxation has been made in these financial statements during the year.

The Fund is also exempt from the provisions of Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. Moreover, super tax introduced in Finance Act, 2015 is also not applicable on Funds as per Section 4B of the Income Tax Ordinance, 2001.

17 TRANSACTIONS WITH RELATED PARTIES / CONNECTED PERSONS

- 17.1** Connected persons include Al Meezan Investment Management Limited being the Management Company, the Central Depository Company of Pakistan Limited being the Trustee, Meezan Bank Limited being the holding company of the Management Company, Directors and Executives of the Management Company, other funds under the common management of the Management Company, Pakistan Kuwait Investment Company (Private) Limited being the associated company of the Management Company, Al Meezan Investment Management Limited - Employees' Gratuity Fund and unit holders holding 10 percent or more of the Fund's net assets.
- 17.2** Transactions with connected persons are executed on an arm's length basis and essentially comprise sale and redemption of units, fee on account of managing the affairs of the Fund, sales load, other charges and distribution payments to connected persons. The transactions with connected persons are in the normal course of business, at contracted rates and at terms determined in accordance with market rates.
- 17.3** Remuneration to the Management Company of the Fund is determined in accordance with the provisions of the NBFC Regulations, and the Trust Deed.
- 17.4** Remuneration to the Trustee of the Fund is determined in accordance with the provisions of the Trust Deed.
- 17.5** The details of transactions carried out by the Fund with connected persons during the year and balances with them as at year end are as follows:

20 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The risk management policy of the Fund aims to maximise the return attributable to the unitholders and seeks to minimise potential adverse effects on the Fund's financial performance.

Risks of the Fund are being managed by the Fund manager in accordance with the approved policies of the Investment Committee which provides broad guidelines for management of risk pertaining to market risks (including price risk, interest rate risk and currency risk) credit risk and liquidity risk. Further, the overall exposure of the Fund complies with the NBFC Regulations, 2008, and the directives issued by the Securities and Exchange Commission of Pakistan (SECP).

Risks managed and measured by the Fund are explained below:

20.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices.

The Management Company manages the market risk through diversification of the investment portfolio and by following the internal guidelines established by the Investment Committee.

Market risk comprises of three types of risks: profit rate risk, currency risk and price risk.

(i) Profit rate risk

Profit rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market interest rates. As of June 30, 2020, the Fund is exposed to such risk on its balances held with banks and investments in corporate sukuks, commercial papers, term deposit receipts and Bai Muajjal. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits.

a) Sensitivity analysis for variable rate instruments

The Fund's profit rate risk arises from the balances in savings accounts and investments in corporate sukuks and term deposit receipts. At June 30, 2020, if there had been increase / decrease of 100 basis points in interest rates, with all other variables held constant, net assets of the Fund for the year then ended would have been higher / lower by Rs 110.791 million (2019: Rs 61.046 million).

b) Sensitivity analysis for fixed rate instruments

The Fund's fixed rate risk arises from investments in commercial papers and Bai Muajjal. At June 30, 2020, if there had been increase / decrease of 100 basis points in interest rates, with all other variables held constant, net assets of the Fund for the year then ended would have been higher / lower by Rs 31.472 million (2019: Rs 27.460 million).

The composition of the Fund's investment portfolio and KIBOR rates are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2020 is not necessarily indicative of the impact on the Fund's net assets of future movements in profit rates.

Profit rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet instruments is based on the settlement date.

The Fund's interest rate sensitivity related to financial assets and financial liabilities as at June 30, 2020 can be determined as follows:

----- 2020 -----						
Effective interest rate (%)	Exposed to profit rate risk			Not exposed to profit rate risk	Total	
	Up to three months	More than three months and up to one year	More than one year			
----- Rupees in '000 -----

Off-balance sheet gap (b)		-	-	-	-	-
Total profit rate sensitivity gap (a+b)		8,850,577	-	-		
Cumulative profit rate sensitivity gap		8,850,577	8,850,577	8,850,577		

(ii) Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

(iii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

20.2 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligation in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to daily redemptions at the option of unit holders. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is, therefore, to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

As per the NBFC Regulations, the Fund can borrow in the short-term to ensure settlement. The maximum limit of which is fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summaries the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity dates. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month:

----- 2020 -----						
Within 1 month	More than one month and upto three months	More than three months and upto one year	More than one year and upto five years	More than 5 years	Financial instruments with no fixed maturity	Total

-----Rupees in '000-----

--	-----------	-----------	---------	---	-----	-----------

20.3 Credit risk

20.3.1 Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligation as it falls due. Credit risk arising on the debt instruments is mitigated by investing in rated instruments or instruments issued by rated counterparties of credit ratings of at least investment grade by the recognised rating agencies. The Fund receives a monthly rating update, against which investments are reviewed.

Credit risk arises from deposits with banks and financial instruments, profit receivable on balances with banks, receivable against conversion of units and credit exposure arising as a result of receivable against sale of investments. Credit risk arising on other financial assets is monitored through a regular analysis of financial position of brokers and other parties. For debt instrument settlement, Delivery versus Payment (DvP) mechanism applied by the Trustee of the fund minimises the credit risk. In accordance with the risk management policy of the Fund, the investment committee monitors the credit position on a daily basis which is reviewed by the Board of Directors of the Management Company on a quarterly basis.

The table below analyses the Fund's maximum exposure to credit risk:

	2020		2019	
	Balance as per statement of assets and liabilities	Maximum exposure to credit risk	Balance as per statement of assets and liabilities	Maximum exposure to credit risk

-----Rupees in '000-----

Balances with banks	10,054,710	10,054,710	2,580,335	2,580,335
Investments	4,172,191	4,172,191	6,270,999	6,270,999
Receivable against conversion of units	184,956	184,956	130,600	130,600
Profit accrued	60,289	60,289	92,348	92,348
Deposits	300	300	300	300
	14,472,446	14,472,446	9,074,582	9,074,582

The maximum exposure to credit risk before any credit enhancement as at June 30, 2020 is the carrying amount of the financial assets.

20.3.2 Credit quality of financial assets

The Fund's significant credit risk arises mainly on account of its placements in banks and profit accrued thereon and receivable against conversion of units and against investments. The credit rating profile of balances with banks is as follows:

Rating	% of financial assets exposed to credit risk	
	2020	2019
AAA	97.44	73.60
AA+	2.46	26.33
AA	0.10	0.07
	<u>100.00</u>	<u>100.00</u>

Ratings of sukuku, commercial paper and bai muajjal have been disclosed in related notes to the financial statements.

20.3.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic and industry factors similarly affect groups of counter parties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. As transactions are entered with credit worthy parties thereby any significant concentration of credit risk is mitigated.

All financial assets of the Fund as at June 30, 2020 are unsecured and are not impaired.

21 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2020, the Fund held the following financial instruments measured at fair values:

	2020		
	Level 1	Level 2	Level 3
	Rupees in '000		
Financial assets - at fair value through profit or loss			
Corporate sukuku *	-	675,000	-
Commercial papers **	-	1,080,275	-
Term deposit receipts - having original maturity of 3 months or less *	-	350,000	-
Bai Muajjal receivable **	-	2,066,916	-
	<u>-</u>	<u>4,172,191</u>	<u>-</u>

2019		
Level 1	Level 2	Level 3
Rupees in '000		
Financial assets - at fair value through profit or loss		
Corporate sukuk *	675,000	-
Commercial papers **	1,471,289	-
Term deposit receipts - having original maturity of 3 months or less *	2,850,000	-
Bai Muajjal receivable **	1,274,710	-
	<u>6,270,999</u>	<u>-</u>

* The carrying value of these securities approximate their fair value since these are short term in nature and are placed with counter parties which have high credit ratings.

** The valuation of commercial papers and Bai Muajjal receivable have been carried out based on amortisation of commercial papers and the sale price under Bai Muajjal to their fair values as per the guidelines given in Circular 33 of 2012 since the residual maturity of these investments is less than six months and they are placed with counterparties which have high credit rating.

22 UNIT HOLDERS' FUND RISK MANAGEMENT

The unit holders' fund is represented by redeemable units. These units are entitled to dividends and to payment of a proportionate share based on the Fund's Net Asset Value per unit on the redemption date. The relevant movements are shown on the 'Statement of Movement in Unit Holders' Fund'.

The Fund has no restriction on the subscription and redemption of units. As required under the NBFC Regulations, every open end scheme shall maintain fund size (i.e. net assets of the Fund) of Rs 100 million at all times during the life of the scheme. The Fund has historically maintained and complied with the requirements of minimum fund size at all times.

The Fund's objectives when managing unit holders' funds are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies as stated in note 20, the Fund endeavours to invest the subscriptions received in appropriate investment avenues while maintaining sufficient liquidity to meet redemptions, such liquidity being augmented by disposal of investments or short-term borrowings, where necessary.

23 UNIT HOLDING PATTERN OF THE FUND

Category	2020			2019		
	Number of unit holders	Investment amount (Rupees in '000)	Percentage of total	Number of unit holders	Investment amount (Rupees in '000)	Percentage of total

Corresponding figures have been re-classified and re-arranged in these financial statements, wherever necessary to facilitate comparison and to conform with changes in presentation in the current year. No significant rearrangements or reclassifications have been made in these financial statements during the current year.

28 DATE OF AUTHORISATION FOR ISSUE

These financial statements were authorised for issue by the Board of Directors of the Management Company on **August 13, 2020**.

29 GENERAL

29.1 Regulatory reliefs due to COVID - 19

The COVID – 19 pandemic has taken a toll on all economies and emerged as a contagion risk around the globe, including Pakistan. To reduce the impact on businesses and economies in general, regulators / governments across the globe have introduced a host of measures on both the fiscal and economic fronts.

The Securities and Exchange Commission of Pakistan (SECP) has provided the following relaxations to the asset management companies operating in Pakistan for a specific period:

- a) The time period to regularize the exposure limits breach under Regulation 55(13) of the NBFC Regulations has been extended from four months to six months;
- b) Maximum limit for application of discretionary discount as per the Annexure-I, Chapter 3 of Circular 33 of 2012 has been enhanced;
- c) The time period for classification of a debt security to non-performing category has been extended from 15 days to 180 days as per the requirements of Annexure-II of Circular 33 of 2012;
- d) Time period to ensure compliance with minimum fund size for Open End Schemes under Regulation 54(3b) of the NBFC regulations has been increased to 180 days for Open End Schemes;
- e) Time for announcement of daily NAV as per the regulatory requirement is extended from 18:30 pm to the start of the next working day.

29.2 Operational Risk Management

The Management Company is closely monitoring the situation and has invoked required actions to ensure safety and security of the staff and an uninterrupted service to the customers. Business Continuity Plans (BCP) for respective areas are in place and tested. The Management Company has significantly enhanced monitoring for all cyber security risk during these times from its information security protocols. The remote work capabilities were enabled for critical staff and related risk and control measures were assessed to make sure they are fully protected using virtual private network (“VPN”) connections. Further, the Management Company has also ensured that its remote access systems are sufficiently resilient to any unwanted cyber-attacks.

The Management Company has made an assessment of COVID-19 on the credit risk and liquidity risk and believes that there is no significant impact on the Fund.

29.3 Figures have been rounded off to the nearest thousand rupees unless otherwise stated.

REPORT OF THE FUND MANAGER Meezan Sovereign Fund (MSF)

Type of Fund

Open end Sovereign mutual fund which falls under the category of Income Funds.

Objective

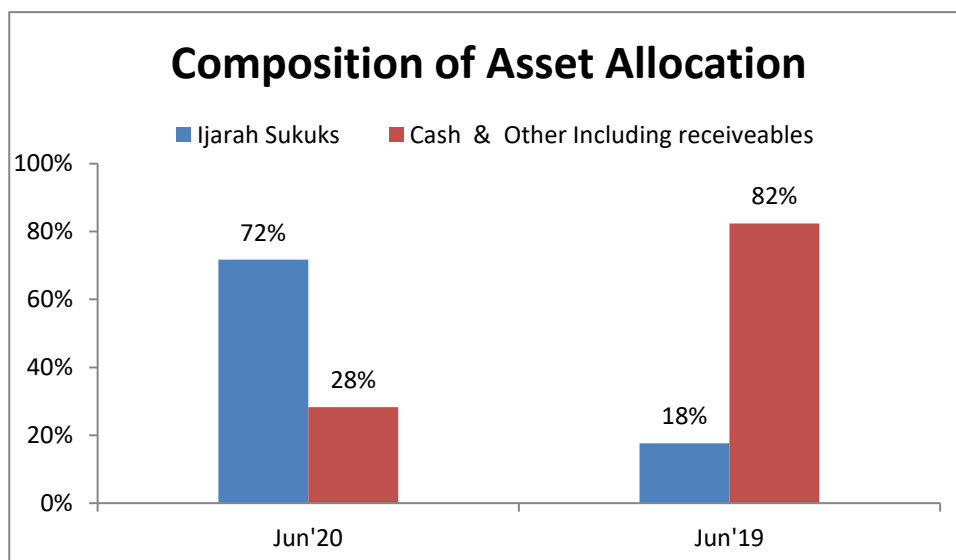

The Fund's primary objective is to provide investors with a low risk and stable rate of current income by primarily investing in Shariah Compliant Sovereign Securities.

Investment Policy and Strategy

The investment policy of the fund demarcates that at least 70% of the net assets of the fund shall be invested in Shariah compliant fixed income government securities on a monthly average basis while at least 10% of the fund size has to be maintained in cash on a monthly average basis. The remaining allocation can be in other permissible Islamic investment avenues. The instruments in which MSF invests are Sovereign Sukuks (Islamic Bonds), Musharaka and Murabaha instruments, Certificate of Islamic Investments, Islamic bank deposits and other Sovereign Islamic income products.

Sector Allocation for the year ended FY19 and FY20

The asset allocation of the fund on June 30, 2019 and June 30, 2020 is as follows:

Performance Review

Meezan Sovereign Fund (MSF) provided a return of 11.17% to its investors for the year ended June 30, 2020 against a benchmark return of 7.93%.

	Six Month deposits at Islamic Banks	
	MSF	
Net Asset Value as on June 30, 2019	51.53	
Net Asset Value as on June 30, 2020	51.55	
Return for the year	11.17%	7.93%
Outperformance	3.24%	

Benchmark: 6 Month PKISRV Rate

During the year, the Fund earned a gross income of Rs. 559 million, which was primarily due to profit on Sukuks certificates worth Rs. 214 million. Profit on saving accounts at Islamic banks contributed Rs. 346 million. On the other side, the fund accrued realized loss and unrealized gain worth Rs. 0.9 million and Rs. 0.2 million respectively. The fund also incurred expenses totalling to Rs. 75 million, which brought the net income figure to Rs. 484 million. The net assets of the Fund as at June 30, 2020 were Rs. 9,736 million as compared to Rs. 5,705 million at the end of last year depicting an increase of 71%. The net asset value per unit as at June 30, 2020 was Rs. 51.55 (Ex-dividend) as compared to Rs. 51.53 per unit as on June 30, 2019.

Distributions

Interim Pay-out by the Fund during the fiscal year ended June 30, 2020 was Rs. 5.70 per unit (11.40%). Total distribution made by the fund was Rs. 973 million.

Fund Stability Rating

JCR-VIS Credit Rating Company has assigned Stability Rating of AA- (f) to Meezan Sovereign Fund.

Unit holder Break down:

(As on June 30, 2020)

Report of the *Shari'ah* Advisor – Meezan Sovereign Fund

August 4, 2020/ Dhu'l-Hijjah 13, 1441

Alhamdulillah, the period from July 01, 2019 to June 30, 2020 was the Tenth year of operations of Meezan Sovereign Fund (MSF) under management of Al Meezan Investment Management Limited (Al Meezan). We, Meezan Bank Limited, are the *Shariah* advisors of the Fund and are issuing the report in accordance with clause 8.2.7 of the Trust Deed of the Fund. The scope of the report is to express an opinion on the *Shariah* compliance of the Fund's activity.

In the capacity of *Shari'ah* Advisor, we have prescribed criteria and procedures to be followed in ensuring *Shari'ah* compliance in every investment.

It is the responsibility of the management company of the fund to establish and maintain a system of internal controls to ensure *Shari'ah* compliance with the *Shari'ah* guidelines. Our responsibility is to express an opinion, based on our review, to the extent where such compliance can be objectively verified. A review is limited primarily to inquiries of the management company's personnel and review of various documents prepared by the management company to comply with the prescribed criteria.

In light of the above, we hereby certify that:

- i. We have reviewed and approved the modes of investments of MSF in light of the *Shari'ah* guidelines.
- ii. All the provisions of the scheme and investments made on account of MSF by Al Meezan are *Shari'ah* compliant and in accordance with the criteria established.
- iii. On the basis of information provided by the management, all the operation of MSF for the year ended June 30, 2020 have been in compliance with *Shari'ah* principles.

May Allah bless us with best Tawfeeq to accomplish His cherished tasks, make us successful in this world and in the Hereafter, and forgive our mistakes.

Dr. Muhammad Imran Ashraf Usmani

TRUSTEE REPORT TO THE UNIT HOLDERS

MEEZAN SOVEREIGN FUND

Report of the Trustee pursuant to Regulation 41(h) and Clause 9 of Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008

We, Central Depository Company of Pakistan Limited, being the Trustee of Meezan Sovereign Fund (the Fund) are of the opinion that Al Meezan Investment Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2020 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund; and
- (iii) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Badiuddin Akber
Chief Executive Officer
Central Depository Company of Pakistan Limited

Karachi, September 24, 2020

INDEPENDENT AUDITOR'S REPORT

**To the Unit holders of Meezan Sovereign Fund
Report on the Audit of the Financial Statements**

Opinion

We have audited the financial statements of Meezan Sovereign Fund (the Fund), which comprise the statement of assets and liabilities as at June 30, 2020, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2020, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S. No.	Key Audit Matter	How the matter was addressed in our audit
1	Net Asset Value (Refer notes 5 and 6 to the financial statements)	
	<p>Investments and balances with banks constitute the most significant component of the net asset value. Investments of the Fund as at June 30, 2020 amounted to Rs 7,182.290 million and balances with banks aggregated to Rs 2,580.042 million.</p> <p>The existence and proper valuation of investments and existence of balances with banks for the determination of NAV of the Fund as at June 30, 2020 was considered a high risk area and therefore we considered this as a key audit matter.</p>	<p>Our audit procedures amongst others included the following:</p> <ul style="list-style-type: none"> Tested the design and operating effectiveness of the key controls for valuation of investments; Obtained independent confirmations for verifying the existence of the investment portfolio and balances with banks as at June 30, 2020 and traced it with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed; Re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policies; and Obtained bank reconciliation statements and tested reconciling items on a sample basis.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of directors of the management company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

M 14

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with board of directors of the management company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide board of directors of the management company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with board of directors of the management company, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Salman Hussain**.

MEEZAN SOVEREIGN FUND
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2020

1 LEGAL STATUS AND NATURE OF BUSINESS

- 1.1 Meezan Sovereign Fund (the Fund) was established under a trust deed executed between Al Meezan Investment Management Limited (Al Meezan) as the Management Company and Central Depository Company of Pakistan Limited (CDC) as the Trustee. The Trust Deed was executed on May 14, 2009 and was approved by the Securities and Exchange Commission of Pakistan (SECP) under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (NBFC Rules) and the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (NBFC Regulations). The Management Company has been licensed by the Securities and Exchange Commission of Pakistan (SECP) to act as an Asset Management Company under the Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules) through a certificate of registration issued by the SECP. The registered office of the Management Company of the Fund is situated at Ground Floor, Block 'B', Finance and Trade Centre, Shahrah-e-Faisal, Karachi, 74400, Pakistan.
- 1.2 The Fund has been formed to provide the unit holders maximum possible preservation of capital along with Halal and reasonable returns by investing primarily in a portfolio of Shariah compliant government securities thus, minimising the credit risk of investments. The Fund shall also keep an exposure in short-term near cash instruments for the purpose of maintaining liquidity and to capitalise on exceptional returns if available at any given point of time. Under the Trust Deed, all conducts and acts of the Fund are based on Shariah. Meezan Bank Limited (MBL) acts as its Shariah Advisor to ensure that the activities of the Fund are in compliance with the principles of Shariah. The investment objectives and policies are explained in the Fund's offering document.
- 1.3 The Fund is an open-end Shariah Compliant (Islamic) Income Scheme, listed on the Pakistan Stock Exchange Limited. Units are offered for public subscription on a continuous basis. The units are transferable and can be redeemed by surrendering them to the Fund.
- 1.4 The Management Company has been assigned a quality rating of AM1 by VIS dated December 31, 2019 (2019: AM1 dated December 29, 2018) and by PACRA dated June 26, 2020. The rating reflects the Company's experienced management team, structured investment process and sound quality of systems and processes. The Fund has been given a stability rating of AA-(f) by VIS Credit Rating Company Limited.
- 1.5 The title to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited as the Trustee of the Fund.

2 BASIS OF PRESENTATION

The transactions undertaken by the Fund in accordance with the process prescribed under the Shariah guidelines issued by the Shariah Advisor are accounted for on substance rather than the form prescribed by the aforementioned guidelines. This practice is being followed to comply with the requirements of the approved accounting standards as applicable in Pakistan.

3 BASIS OF PREPARATION

3.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017, along with part VIIIA of the repealed Companies Ordinance, 1984; and
- the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and the requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the IFRS, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

3.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2019. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these financial statements.

3.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

The following amendments would be effective from the dates mentioned below against the respective amendment:

Amendments	Effective date (accounting periods beginning on or after)
- IAS 1 - 'Presentation of financial statements' (amendment)	January 1, 2020
- IAS 8 - 'Accounting policies, change in accounting estimates and errors' (amendment)	January 1, 2020

These amendments may impact the financial statements of the Fund on adoption. The Management is currently in the process of assessing the full impact of these amendments on the financial statements of the Fund.

There are certain other standards, amendments and interpretations that are mandatory for the Fund's accounting period beginning on or after July 1, 2020 but are considered not to be relevant or will not have any significant effect on the Fund's operations and are therefore not disclosed in these financial statements.

3.4 Critical accounting estimates and judgments

The preparation of financial statements in accordance with the accounting and reporting standards as applicable in Pakistan requires the management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates, judgements and associated assumptions are based on historical experience and various other factors including expectations of future events that are believed to be reasonable under the circumstances, the results of which form the basis of making judgements about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The estimates and judgements that have a significant effect on the financial statements of the Fund relate to classification, valuation and impairment of financial assets (notes 4.3 and 6).

3.5 Accounting convention

These financial statements have been prepared under the historical cost convention except that investments classified as 'at fair value through profit or loss' measured at their fair values.

3.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Funds operates. These financial statements are presented in Pakistani Rupee, which is the Fund's functional and presentation currency.

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

4.1 The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years.

4.2 Cash and cash equivalents

These comprise balances with banks in savings and current accounts and other short-term highly liquid investments with original maturities of three months or less.

4.3 Financial assets

4.3.1 Classification and subsequent measurement

4.3.1.1 Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- amortised cost
- at fair value through other comprehensive income (FVOCI)
- at fair value through profit or loss (FVPL) based on the business model of the entity

However, IFRS 9 also provides an option whereby securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognized at FVPL. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. Therefore the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVPL.

4.3.1.2 Equity instruments

Equity instruments are instruments that meet the definition of equity from the issuer's perspective and are instruments that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets.

All equity investments are required to be measured in the "Statement of Assets and Liabilities" at fair value, with gains and losses recognised in the "Income Statement", except where an irrevocable election has been made at the time of initial recognition to measure the investment at FVOCI. The management considers its investment in equity securities being managed as a group of assets and hence has classified them as FVPL. Accordingly, the irrevocable option has not been considered.

The dividend income for equity securities classified under FVPL is recognised in the Income Statement.

Since all investments in equity instruments have been designated as FVPL, the subsequent movement in the fair value of equity securities is routed through the Income Statement.

The Fund can only invest in equity securities for the purpose of spread transactions as approved by Shariah Advisor.

4.3.2 Impairment

The fund assesses on a forward looking basis the expected credit loss (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost and FVOCI. The fund recognises loss allowances for such losses at each reporting date. The measurement of ECL reflects:

- An unbiased and probability weighted amount that is determined by evaluating a range of possible outcomes;
- The time value of money; and
- Reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

4.3.2.1 Impairment loss on debt securities

Provision for non-performing debt securities is made on the basis of time-based criteria as prescribed by the SECP and based on management's assessment made in line with its provisioning policy approved by the Board of Directors of the Management Company in accordance with the guidelines issued by the SECP. Impairment losses recognised on debt securities can be reversed through the Income Statement.

As allowed by the SECP, the Management Company may make provision against debt securities over and above the minimum provision requirement prescribed by the SECP, in accordance with the provisioning policy duly approved by the Board of Directors.

4.3.3 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset. Regular way purchases / sales of assets require delivery of securities within two days from the transaction date as per the stock exchange regulations.

4.3.4 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the Income Statement.

4.3.5 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the Income Statement.

4.3.6 Derivatives

Derivative instruments are initially recognised at fair value and subsequent to initial measurement each derivative instrument is remeasured to its fair value and the resultant gain or loss is recognised in the Income Statement.

4.4 Financial liabilities

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the Income Statement.

4.5 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the 'Statement of Assets and Liabilities' when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

4.6 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

4.7 Net asset value per unit

The Net Asset Value (NAV) per unit as disclosed in the Statement of Assets and Liabilities is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

4.8 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the Management Company / distributors during business hours on that day. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load and provision of any duties and charges if applicable. The sales load is payable to the Management Company / distributors.

Units redeemed are recorded at the redemption price applicable to units for which the Management Company / distributors receive redemption applications during business hours of that day. The redemption price is equal to NAV as of the close of the business day, less an amount as the Management Company may consider to be an appropriate provision of duties and charges.

4.9 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

4.10 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between net assets value (NAV) per unit on the issuance or redemption date, as the case may be, of units and the NAV per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend NAV of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

4.11 Revenue recognition

- Gains / (losses) arising on sale of investments are included in the Income Statement currently, on the date when the transaction takes place.
- Unrealised gains / (losses) arising on revaluation of securities classified as financial assets 'at fair value through profit or loss' are included in the Income Statement in the period in which they arise.
- Income on term deposit receipts and Government securities is recognised on a time proportionate basis using the effective yield method.
- Profit on saving account with banks is recognised on time proportion basis using the effective yield method.

4.12 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee of the SECP are recognised in the Income Statement on an accrual basis.

4.13 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit.

The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse based on enacted tax rates.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unitholders. Provided that, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. Moreover, super tax introduced in the Finance Act, 2015 is also not applicable on funds (Section 4B of the Income Tax Ordinance, 2001).

4.14 Earnings / (loss) per unit

Earnings / (loss) per unit is calculated by dividing the net income / (loss) of the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings / (loss) per unit (EPU) has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

4.15 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the Income Statement.

Sales load payable		258	629
Sindh sales tax on sales load payable		<u>33</u>	<u>82</u>
		<u>8,724</u>	<u>4,228</u>

8.1 As per regulation 61 of the NBFC Regulations, 2008, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the Offering Document subject to the total expense ratio limit. Keeping in view the maximum allowable threshold, the Management Company has charged its remuneration at the rate of 0.6% (2019: 1%) per annum of the average net assets of the Fund during the year ended June 30, 2020. The remuneration is payable to the Management Company monthly in arrears.

8.2 During the year, an amount of Rs 3.843 million (2019: Rs 2.426 million) was charged on account of sales tax on management fee levied through the Sindh Sales Tax on Services Act, 2011 and an amount of Rs 4.171 million (2019: Rs 2.285 million) has been paid to the Management Company which acts as a collecting agent.

9	PAYABLE TO CENTRAL DEPOSITORY COMPANY OF PAKISTAN - TRUSTEE	Note	2020	2019

	Trustee fee payable	9.1	474	476
	Sindh Sales Tax payable on trustee fee	9.2	62	62
			<u>536</u>	<u>538</u>

- 9.1 The Trustee is entitled to monthly remuneration for services rendered to the Fund under the provisions of the trust deed. Effective from July 1, 2019, the trustee has revised its tariff as under:

Net Assets (Rs.)	Previous Tariff		Revised Tariff (Flat Rate)
	Fee		
Upto Rs. 1 billion	0.17% per annum of net assets		0.065% per annum of Net Assets.
Rs. 1 billion to Rs. 10 billion	Rs 1.7 million plus 0.075% p.a. of net assets exceeding Rs 1 billion		
Over Rs. 10 billion	Rs 5.1 million plus 0.07% p.a. of net assets exceeding Rs 10 billion		

- 9.2 During the year, an amount of Rs 0.405 million (2019: Rs 0.279 million) was charged on account of sales tax on remuneration of the Trustee levied through the Sindh Sales Tax on Services Act, 2011 and an amount of Rs 0.405 million (2019: Rs 0.243 million) was paid to the Trustee which acts as a collecting agent.

10 PAYABLE TO SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN

- 10.1 In accordance with the NBFC Regulations, 2008, a collective investment scheme classified as an Income Scheme is required to pay annual fee to the Securities and Exchange Commission of Pakistan.

Effective from July 1, 2019, the SECP vide SRO No. 685(I)/2019 dated June 28, 2019, revised the rate of annual fee to 0.02% of net assets, applicable on all categories of CISs. Previously, the rate of annual fee applicable to Income Fund was 0.075%. Accordingly, the Fund has charged SECP Fee at the rate of 0.02% of net assets during the current year.

11	ACCRUED EXPENSES AND OTHER LIABILITIES	Note	2020	2019
			-----Rupees in '000-----	
	Auditors' remuneration payable		350	348
	Printing charges payable		156	156
	Brokerage payable		581	501
	Shariah advisor fee payable		467	360
	Withholding tax payable		46,089	12,021
	Capital gain tax payable		7,163	968
	Provision for Sindh Workers' Welfare Fund	11.1	26,406	16,531
	Zakat payable		130	142
	Other accrued expenses payable		100	-
	Provision for Federal Excise Duty and related Sindh Sales Tax on management fee	11.2	80,077	80,077
	Provision for Federal Excise Duty and related Sindh Sales Tax on sales load	11.2	2,562	2,562
			<u>164,081</u>	<u>113,666</u>

- 11.1 As a consequence of the 18th amendment to the Constitution of Pakistan, in May 2015 the Sindh Workers' Welfare Fund Act, 2014 (SWWF Act) had been passed by the Government of Sindh as a result of which every industrial establishment located in the Province of Sindh, the total income of which in any accounting year is not less than Rs 0.50 million, was required to pay Sindh Workers' Welfare Fund (SWWF) in respect of that year a sum equal to two percent of such income. The matter was taken up by the MUFAP with the Sindh Revenue Board (SRB) collectively on behalf of various asset management companies and their CISs whereby it was contested that mutual funds should be excluded from the ambit of the SWWF Act as these were not industrial establishments but were pass through investment vehicles and did not employ workers. The SRB held that mutual funds were included in the definition of financial institutions as per the Financial Institution (Recovery of Finances) Ordinance, 2001 and were, hence, required to register and pay SWWF under the SWWF Act. Thereafter, MUFAP had taken up the matter with the Sindh Finance Ministry to have CISs / mutual funds excluded from the applicability of SWWF. In view of the above developments regarding the applicability of SWWF on CISs/mutual funds, MUFAP recommended that, as a matter of abundant caution, provision in respect of SWWF should be made on a prudent basis with effect from the date of enactment of the SWWF Act, 2014 (i.e. starting from May 21, 2015).

Had the provision for SWWF not been recorded in the financial statements of the Fund for the period from May 21, 2015 to June 30, 2020, the net asset value of the Fund as at June 30, 2020 would have been higher by Re. 0.14 per unit (2019: Re 0.15 per unit).

- 11.2** The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 01, 2016. However, as a matter of abundant caution the provision for FED made for the period from June 13, 2013 till June 30, 2016 amounting to Rs 82.639 million (2019: Rs 82.639 million) is being retained in the financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan. Had the provision for FED not been made, the Net Asset Value of the Fund as at June 30, 2020 would have been higher by Re 0.44 (2019: Re. 0.75) per unit.

12 CONTINGENCIES AND COMMITMENTS

There were no other contingencies and commitments outstanding as at June 30, 2020 and June 30, 2019.

13 AUDITORS' REMUNERATION

	2020	2019
	-----Rupees in '000-----	
Statutory audit fee	282	376
Half yearly review of condensed interim financial statements	130	140
Other certification charges	100	-
Out of pocket expenses	28	35
	<u>540</u>	<u>551</u>

14 TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at June 30, 2020 is 1.57% which includes 0.32% representing government levies on the Fund such as provision for Sindh Workers' Welfare Fund, sales taxes, federal excise duties, annual fee to SECP, etc. This ratio is within the maximum limit of 2.5% prescribed under the NBFC Regulations for a collective investment scheme categorised as an Income Scheme.

15 ALLOCATED EXPENSES

In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS).

Until June 19, 2019 there was a maximum cap of 0.1% of the average annual net assets of the scheme or actual whichever is less, for allocation of such expense to the Fund. However, the SECP vide its SRO 639 dated June 20, 2019 removed the maximum cap of 0.1%.

The management company based on its own discretion has currently fixed a maximum capping of 0.1% of the average annual net assets of the scheme for allocation of such expenses to the Fund for the period from July 1, 2019 to July 21, 2019 and 0.15% for the period from July 22, 2019 to June 30, 2020.

16 SELLING AND MARKETING EXPENSES

The SECP has allowed the Asset Management Companies to charge selling and marketing expenses to all categories of open-end mutual funds (except fund of funds) initially for a period of three years (i.e. from January 1, 2017 till December 31, 2019). The maximum cap of selling and marketing expense was 0.4% per annum of the net assets of the Fund or actual expenses whichever is lower.

During the current year, the SECP through its circular 11 dated July 5, 2019 has revised the conditions for charging of selling and marketing expenses to a Fund. As per the revised guidelines, the maximum cap of 0.4% per annum has been lifted and now the asset management company is required to set a maximum limit for charging of such expense to the Fund and the same should be approved by the Board as part of annual plan. Furthermore, the time limit of three years has also been removed in the revised conditions.

Effective from July 22, 2019, the Management Company has started charging selling and marketing expenses to the Fund. The Management Company, based on its own discretion has currently determined a capping of 0.4% of the average annual net assets of the fund for charging of selling and marketing expenses to the Fund which has also been approved by the Board.

17 TAXATION

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unitholders. Since the management has distributed the required minimum percentage of income earned by the Fund for the year ended June 30, 2020 to the unit holders in the manner as explained above, no provision for taxation has been made in these financial statements during the year.

The Fund is also exempt from the provisions of Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. Moreover, super tax introduced in the Finance Act, 2015 is also not applicable on funds as per section 4B of the Income Tax Ordinance, 2001.

18 TRANSACTIONS WITH RELATED PARTIES / CONNECTED PERSONS

18.1 Connected persons include Al Meezan Investment Management Limited being the Management Company, the Central Depository Company of Pakistan (CDC) being the Trustee, Meezan Bank Limited being the holding company of the Management Company, Directors and executives of the Management Company, other collective investment schemes managed by the Management Company, Pakistan Kuwait Investment Company (Private) Limited being the associated company of the Management Company, Al Meezan Investment Management Limited - Employees Gratuity Fund and unit holders holding 10 percent or more of the Fund's net assets.

18.2 Transactions with connected persons are executed on an arm's length basis and essentially comprise sale and redemption of units, fee on account of managing the affairs of the Fund, sales load, other charges and distribution payments to connected persons. The transactions with connected persons are in the normal course of business, at contracted rates and at terms determined in accordance with market rates.

18.3 Remuneration to the Management Company of the Fund is determined in accordance with the provisions of the NBFC Regulations, 2008 and the Trust Deed.

18.4 Remuneration to the Trustee of the Fund is determined in accordance with the provisions of the Trust Deed.

18.5 The details of transactions carried out by the Fund with connected persons during the year and balances with them as at year end are as follows:

20 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The risk management policy of the Fund aims to maximise the return attributable to the unitholders and seeks to minimise potential adverse effects on the Fund's financial performance.

Risks of the Fund are being managed by the Fund manager in accordance with the approved policies of the Investment Committee which provides broad guidelines for management of risk pertaining to market risks (including price risk, interest rate risk and currency risk) credit risk and liquidity risk. Further, the overall exposure of the Fund complies with the NBFC Regulations, 2008, and the directives issued by Securities and Exchange Commission of Pakistan (SECP).

Risks managed and measured by the Fund are explained below:

20.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices.

The Management Company manages the market risk through diversification of the investment portfolio and by following the internal guidelines established by the Investment Committee and regulations laid down by the SECP.

Market risk comprises of three types of risks: Profit rate risk, currency risk, and price risk.

(i) Profit rate risk

Profit rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market interest rates. As of June 30, 2020, the Fund is exposed to such risk on its balances held with banks and investments in sukuk certificates. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits.

a) Sensitivity analysis for variable rate instruments

Presently, the Fund holds KIBOR based sukuks certificates and balances with banks which expose the Fund to cash flow profit rate risk. In case of 100 basis points increase / decrease in applicable rates on the last repricing date with all other variables held constant, the net income / loss for the year and net assets of the Fund would have been higher / lower by Rs. 97.59 million (2019: Rs. 62.54 million).

b) Sensitivity analysis for fixed rate instruments

As at June 30, 2020, the Fund did not hold any fixed rate instrument that may expose the fund to fair value profit rate risk. A 100 basis points increase / decrease in rates announced by the Financial Markets Association of Pakistan for sukuk certificates with all other variables held constant, would not have impacted the net income for the year and net assets of the Fund (2019: Rs nil).

The composition of the Fund's investment portfolio, KIBOR rates and the rates announced by the Financial Markets Association of Pakistan are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2020 is not necessarily indicative of the impact on the Fund's net assets of future movements in profit rates.

Profit rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet instruments is based on the settlement date.

The Fund's profit rate sensitivity related to financial assets and financial liabilities as at June 30, 2020 can be determined as follows:

----- 2020 -----						
Effective yield / profit rate (%)	Exposed to yield / profit rate risk			Not exposed to yield / profit rate risk	Total	
	Up to three months	More than three months and up to one year	More than one year			
----- Rupees in 000 -----

Off-balance sheet gap (b)		-	-	-	-	-
Total interest rate sensitivity gap (a+b)		6,079,670	174,715	-		
Cumulative interest rate sensitivity gap		6,079,670	6,254,385	6,254,385		

(ii) Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

(iii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from profit rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

Equity price risk is the risk that the fair value of equity instruments decreases as a result of changes in the level of equity indices and the value of individual stocks. The Fund does not have any investment in equity securities as of June 30, 2020.

20.2 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligation in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to daily redemptions at the option of unit holders. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is, therefore, to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

As per the NBFC Regulations, 2008, the Fund can borrow in the short-term to ensure settlement the maximum limit of which is fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summaries the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity dates. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month:

----- 2020 -----						
Within 1 month	More than one month and upto three months	More than three months and upto one year	More than one year and upto five years	More than 5 years	Financial instruments with no fixed maturity	Total
----- Rupees in '000 -----

	4,694,372	(708)	24,803	99,837	999,919	100	5,818,323
--	------------------	--------------	---------------	---------------	----------------	------------	------------------

20.3 Credit risk

20.3.1 Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligation as it falls due. Credit risk arises from deposits with banks and financial institutions, profit receivable on bank deposits, credit exposure arising as a result of investment in debt securities, profit receivable on debt securities, receivable against issuance and conversion and receivable against sale of investments.

Credit risk arising on the debt instruments other than government securities is mitigated by investing in rated instruments or instruments issued by rated counterparties of credit ratings of at least investment grade by the recognised rating agencies. The Fund receives a monthly rating update, against which investments are reviewed. The Fund, however, also invests in unrated instruments based on internal ratings assigned by the Fund manager using an approach that is consistent with the approach used by the rating agencies. Credit risk arising on other financial assets is monitored through a regular analysis of financial position of brokers and other parties. For debt instrument settlement, Delivery versus Payment (DvP) mechanism applied by Trustee of the Fund minimize the credit risk. In accordance with the risk management policy of the Fund, the investment manager monitors the credit position on a daily basis which is reviewed by the Board of Directors of the Management Company on a quarterly basis.

The table below analyses the Fund's maximum exposure to credit risk:

2020		2019	
Balance as per statement of assets	Maximum exposure to credit risk	Balance as per statement of assets and	Maximum exposure to credit risk

----- Rupees in '000 -----

Balances with banks	2,580,042	2,580,042	5,132,514	5,132,514
Investments	7,182,290	132,290	1,124,715	174,715
Receivable against conversion of units	149,747	149,747	59,236	59,236
Deposits and other receivables	104,676	104,676	70,373	70,373
	10,016,755	2,966,755	6,386,838	5,436,838

The maximum exposure to credit risk before any credit enhancement as at June 30, 2020 is the carrying amount of the financial assets. Investment in government securities, however, are not exposed to credit risk and have been excluded from the above analysis as these are guaranteed by the Government of Pakistan.

20.3.2 Credit quality of financial assets

The Fund's significant credit risk (excluding credit risk relating to settlement of equity securities) arises mainly on account of its placements in banks and profit accrued thereon and receivable against sale of units and against investments, investments in sukuk certificates. The credit rating profile of balances with banks is as follows:

Rating	% of financial assets exposed to credit risk	
	2020	2019
AAA	74.97	58.60
AA+	2.30	9.48
AA	0.96	22.42
A+	0.21	9.50
A	0.00	-
AA-	21.55	-
	100.00	100.00

21 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2020, the Fund held the following financial instruments measured at fair values:

	2020		
	Level 1	Level 2	Level 3
	Rupees in '000		
Financial assets 'at fair value through profit or loss'			
Sukuk certificates	-	7,182,290	-
	-	7,182,290	-
	2019		
	Level 1	Level 2	Level 3
	Rupees in '000		
Financial assets 'at fair value through profit or loss'			
Sukuk certificates	-	1,124,715	-
	-	1,124,715	-

22 UNIT HOLDERS' FUND RISK MANAGEMENT

The unit holders' fund is represented by redeemable units. These units are entitled to dividends and to payment of a proportionate share based on the Fund's Net Asset Value per unit on the redemption date. The relevant movements are shown on the 'Statement of Movement in Unit Holders' Fund'.

The Fund has no restriction on the subscription and redemption of units. As required under the NBFC Regulations, 2008 every open end scheme shall maintain fund size (i.e. net assets of the Fund) of Rs 100 million at all times during the life of the scheme. The Fund has historically maintained and complied with the requirement of minimum fund size at all times.

The Fund's objectives when managing unit holders' funds are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies as stated in note 20, the Fund endeavours to invest the subscriptions received in appropriate investment avenues while maintaining sufficient liquidity to meet redemptions, such liquidity being augmented by disposal of investments or short-term borrowings, where necessary.

23 UNIT HOLDING PATTERN OF THE FUND

Category	2020			2019		
	Number of unit holders	Investment amount (Rupees)	Percentage of total	Number of unit holders	Investment amount (Rupees)	Percentage of total

27 CORRESPONDING FIGURES

Corresponding figures have been re-classified and re-arranged in these financial statements, wherever necessary to facilitate comparison and to conform with changes in presentation in the current year. No significant rearrangements or reclassifications have been made in these financial statements during the current year.

28 DATE OF AUTHORISATION FOR ISSUE

These financial statements were authorised for issue by the Board of Directors of the Management Company on **August 13, 2020**.

29 GENERAL

29.1 Regulatory reliefs due to COVID - 19

The COVID – 19 pandemic has taken a toll on all economies and emerged as a contagion risk around the globe, including Pakistan. To reduce the impact on businesses and economies in general, regulators / governments across the globe have introduced a host of measures on both the fiscal and economic fronts.

The Securities and Exchange Commission of Pakistan (SECP) has provided the following relaxations to the asset management companies operating in Pakistan for a specific period:

- a) The time period to regularize the exposure limits breach under Regulation 55(13) of the NBFC Regulations has been extended from four months to six months;
- b) Maximum limit for application of discretionary discount as per the Annexure-I, Chapter 3 of Circular 33 of 2012 has been enhanced;
- c) The time period for classification of a debt security to non-performing category has been extended from 15 days to 180 days as per the requirements of Annexure-II of Circular 33 of 2012;
- d) Time period to ensure compliance with minimum fund size for Open End Schemes under Regulation 54(3b) of the NBFC regulations has been increased to 180 days for Open End Schemes;
- e) Time for announcement of daily NAV as per the regulatory requirement is extended from 18:30 pm to the start of the next working day.

29.2 Operational Risk Management

The Management Company is closely monitoring the situation and has invoked required actions to ensure safety and security of the staff and an uninterrupted service to the customers. Business Continuity Plans (BCP) for respective areas are in place and tested. The Management Company has significantly enhanced monitoring for all cyber security risk during these times from its information security protocols. The remote work capabilities were enabled for critical staff and related risk and control measures were assessed to make sure they are fully protected using virtual private network ("VPN") connections. Further, the Management Company has also ensured that its remote access systems are sufficiently resilient to any unwanted cyber-attacks.

The Management Company has made an assessment of Covid-19 on the credit risk and liquidity risk and believes that there is no significant impact on the Fund.

29.3 Figures have been rounded off to the nearest thousand Rupees unless otherwise stated.

REPORT OF THE FUND MANAGER Meezan Rozana Amdani Fund (MRAF)

Type of Fund

Open end money market fund investing primarily in Shariah compliant money market and Islamic bonds (Sukuks).

Objective

Its objective is to meet liquidity needs of investors by providing investors a daily pay out through investment in Shariah Compliant money market instruments.

Investment Policy and Strategy

The fund provides investors with the opportunity to park their excess liquidity in secure high quality instruments. To minimize the impact of interest rate volatility, the investment policy limits the investment avenues to short term tenors. As per its investment policy, MRAF can invest or place funds in instruments/avenues with a credit rating of at least 'double A' (AA). Moreover, the investment policy limits interest rate risk by capping the maturity of instruments up to a maximum of six months, along with maximum portfolio duration of three months.

Sector Allocation as on June 30th 2020

Performance Review

Meezan Rozana Amdani Fund (MRAF) provided a return of 11.76% to its investors for the year ended June 30, 2020 as compared to its benchmark return of 5.37%.

	MRAF	Benchmark
Net Asset Value as on June 30, 2019	50.00	
Net Asset Value as on June 30, 2020	50.00	
Return During the Period - Net	11.76%	5.37%
Outperformance - Net	6.39%	

Benchmark: 3 Month average deposit rate of 3 AA rated Islamic Banks

The Fund earned a gross income of Rs. 3,851 million, which was primarily due to profit on bank deposits, placements and Sukuks amounting to Rs. 3,850 million. The fund also incurred expenses totalling to Rs. 313 million, which brought the net income figure to Rs. 3,538 million. The net assets of the Fund as at June 30, 2019 were Rs. 53,351 million as compared to Rs. 16,134 million at the end of last year depicting an increase of 231%. The net asset value per unit as at June 30, 2020 was Rs. 50 (Ex-dividend).

Distributions

The Total Pay-out by the Fund during the period ended June 30, 2020 was Rs. 5.51 per unit (11.02%). Total distribution made by the fund was Rs. 3,538 million.

Fund Stability Rating

VIS Credit Rating Company has assigned Stability Rating of AA (f) to the Fund.

Breakdown of unit holdings by size

Report of the *Shari'ah* Advisor – Meezan Rozana Amdani Fund

August 4, 2020/ Dhu'l-Hijjah 13, 1441

Alhamdulillah, the period from July 1, 2019 to June 30, 2020 was the Second year of operations of Meezan Rozana Amdani Fund (MRAF) under management of Al Meezan Investment Management Limited (Al Meezan). We, Meezan Bank Limited, are the *Shariah* advisors of the Fund and are issuing the report in accordance with clause 8.2.7 of the Trust Deed of the Fund. The scope of the report is to express an opinion on the *Shariah* compliance of the Fund's activity.

In the capacity of *Shari'ah* Advisor, we have prescribed criteria and procedure to be followed in ensuring *Shari'ah* compliance in every investment.

It is the responsibility of the management company of the fund to establish and maintain a system of internal controls to ensure *Shari'ah* compliance in line with the *Shari'ah* guidelines. Our responsibility is to express an opinion, based on our review, to the extent where such compliance can be objectively verified. A review is limited primarily to inquiries of the management company's personnel and review of various documents prepared by the management company to comply with the prescribed criteria.

In light of the above, we hereby certify that:

- i. We have reviewed and approved the modes of investments of MRAF in light of the *Shari'ah* guidelines.
- ii. All the provisions of the scheme and investments made on account of MRAF by Al Meezan are *Shari'ah* compliant and in accordance with the criteria established.
- iii. On the basis of information provided by the management, all the operation of MRAF for the year ended June 30, 2020 have been in compliance with *Shari'ah* principles.

May Allah bless us with best Tawfeeq to accomplish His cherished tasks, make us successful in this world and in the Hereafter, and forgive our mistakes.

Dr. Muhammad Imran Ashraf Usmani

TRUSTEE REPORT TO THE UNIT HOLDERS

MEEZAN ROZANA AMDANI FUND

**Report of the Trustee pursuant to Regulation 41(h) and Clause 9 of Schedule V of the
Non-Banking Finance Companies and Notified Entities Regulations, 2008**

We, Central Depository Company of Pakistan Limited, being the Trustee of Meezan Rozana Amdani Fund (the Fund) are of the opinion that Al Meezan Investment Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2020 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund; and
- (iii) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Badiuddin Akber
Chief Executive Officer
Central Depository Company of Pakistan Limited

Karachi, September 24, 2020

INDEPENDENT AUDITOR'S REPORT

To the Unit holders of Meezan Rozana Amdani Fund

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Meezan Rozana Amdani Fund (the Fund), which comprise the statement of assets and liabilities as at June 30, 2020, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2020, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S. No.	Key Audit Matter	How the matter was addressed in our audit
1	Net Asset Value (Refer notes 5 and 6 to the financial statements)	
	<p>Investments and balances with banks constitute the most significant component of the net asset value. Investments of the Fund as at June 30, 2020 amounted to Rs 38,829.879 million and balances with banks aggregated to Rs 14,938.606 million.</p> <p>The existence and proper valuation of investments and existence of balances with banks for the determination of NAV of the Fund as at June 30, 2020 was considered a high risk area and therefore we considered this as a key audit matter.</p>	<p>Our audit procedures amongst others included the following:</p> <ul style="list-style-type: none"> ▪ Tested the design and operating effectiveness of the key controls for valuation of investments; ▪ Obtained independent confirmations for verifying the existence of the investment portfolio and balances with banks as at June 30, 2020 and traced it with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed; ▪ Ensured that the investments are carried as per the valuation methodology specified in the accounting policies; and ▪ Obtained bank reconciliation statements and tested reconciling items on a sample basis.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of directors of the management company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

AM/12

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with board of directors of the management company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide board of directors of the management company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with board of directors of the management company, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Salman Hussain**.

**For AI Meezan Investment Management Limited
(Management Company)**

Chief Executive

Chief Financial Officer

Director

**MEEZAN ROZANA AMDANI FUND
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2020**

1 LEGAL STATUS AND NATURE OF BUSINESS

- 1.1 Meezan Rozana Amdani Fund (the Fund) was established under a Trust Deed executed between Al Meezan Investment Management Limited as the Management Company and Central Depository Company of Pakistan Limited (CDC) as the Trustee. The Trust Deed was executed on October 29, 2018 and was approved by the Securities and Exchange Commission of Pakistan (SECP) under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules) and the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations). The Management Company has been granted license by the SECP to act as an Asset Management Company under the NBFC Rules through a certificate of registration issued by the SECP. The registered office of the Management Company of the Fund is situated at Ground Floor, Block 'B', Finance and Trade Centre, Shahrah-e-Faisal, Karachi 74400, Pakistan.
- 1.2 The investment objective of the Fund is to meet liquidity needs of investors by providing investors a daily payout through investment in Shariah Compliant money market instruments. Under the Trust Deed, all the conducts and acts of the Fund are based on Shariah principles. Meezan Bank Limited (MBL) acts as its Shariah Advisor to ensure that the activities of the Fund are in compliance with the principles of Shariah.
- 1.3 The Fund is an open-end Shariah Compliant Money Market Scheme and has the following specific features:
- (a) Dividend will be distributed to the entitled unit holders on a daily basis (i.e. each business day).
 - (b) Daily dividend received by the unit holder shall be reinvested.

By distributing dividend on a daily basis, the Management Company is required to ensure that total distribution in an accounting period accumulates to an amount that is required under the tax laws and other regulations in force.

- 1.4 Units are offered for public subscription on a continuous basis. The units are transferable and can be redeemed by surrendering them to the Fund.
- 1.5 The Management Company has been assigned a quality rating of AM1 by PACRA dated June 26, 2020 (2019: AM1 dated June 28, 2019) and VIS dated December 31, 2019 (2019: AM1 dated December 28, 2018). The rating reflects the Company's experienced management team, structured investment process and sound quality of systems and processes. The stability rating of the Fund is AA(f) given by VIS Credit Rating Company Limited.
- 1.6 The title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as the Trustee of the Fund.

2 BASIS OF PRESENTATION

The transactions undertaken by the Fund are in accordance with the process prescribed under the Shariah guidelines issued by the Shariah Advisor and are accounted for on substance rather than the form prescribed by the earlier referred guidelines. This practice is being followed to comply with the requirements of the accounting and reporting standards as applicable in Pakistan.

3 BASIS OF PREPARATION

3.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIII A of the repealed Companies Ordinance, 1984; and
- the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and the requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the IFRSs, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

3.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2019. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these financial statements.

3.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

The following amendments would be effective from the dates mentioned below against the respective amendment:

Amendments	Effective date (accounting periods beginning on or after)
- IAS 1 - 'Presentation of financial statements' (amendment)	January 1, 2020
- IAS 8 - 'Accounting policies, change in accounting estimates and errors' (amendment)	January 1, 2020

These amendments may impact the financial statements of the Fund on adoption. The Management is currently in the process of assessing the full impact of these amendments on the financial statements of the Fund.

There are certain other standards, amendments and interpretations that are mandatory for the Fund's accounting period beginning on or after July 1, 2020 but are considered not to be relevant or will not have any significant effect on the Fund's operations and are therefore not disclosed in these financial statements.

3.4 Critical accounting estimates and judgments

The preparation of financial statements in accordance with the accounting and reporting standards as applicable in Pakistan requires the management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates, judgements and associated assumptions are based on historical experience and various other factors including expectations of future events that are believed to be reasonable under the circumstances, the results of which form the basis of making judgements about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The estimates and judgements that have a significant effect on the financial statements of the Fund relate to classification, valuation and impairment of financial assets (notes 4.3 and 6).

3.5 Accounting convention

These financial statements have been prepared under the historical cost convention except for investments classified as at fair value through profit or loss' which are measured at their respective fair values.

3.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistani Rupee, which is the Fund's functional and presentation currency.

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

4.1 The principal accounting policies applied in the preparation of these financial statements are set out below.

4.2 Cash and cash equivalents

These comprise balances with banks in savings and current accounts, cheques in hand and other short-term highly liquid investments with original maturities of three months or less.

4.3 Financial assets

4.3.1 Classification and subsequent measurement

4.3.1.1 Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- amortised cost
- at fair value through other comprehensive income (FVOCI)
- at fair value through profit or loss (FVPL) based on the business model of the entity

However, IFRS 9 also provides an option whereby securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognized at FVPL. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. Therefore the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVPL.

4.3.2 Impairment

The fund assesses on a forward looking basis the expected credit loss (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost and FVOCI. The fund recognises loss allowances for such losses at each reporting date. The measurement of ECL reflects:

- An unbiased and probability weighted amount that is determined by evaluating a range of possible outcomes;
- The time value of money; and
- Reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

4.3.2.1 Impairment loss on debt securities

Provision for non-performing debt securities is made on the basis of time-based criteria as prescribed by the SECP and based on management's assessment made in line with its provisioning policy approved by the Board of Directors of the Management Company in accordance with the guidelines issued by the SECP. Impairment losses recognised on debt securities can be reversed through the Income Statement.

As allowed by the SECP, the Management Company may make provision against debt securities over and above the minimum provision requirement prescribed by the SECP, in accordance with the provisioning policy duly approved by the Board of Directors.

4.3.4 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset. Regular way purchases / sales of assets require delivery of securities within two days from the transaction date as per the stock exchange regulations.

4.3.5 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the Income Statement.

4.3.6 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the Income Statement.

4.4 Financial liabilities

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the Income Statement.

4.5 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the 'Statement of Assets and Liabilities' when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

4.6 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

4.7 Net asset value per unit

The Net Asset Value (NAV) per unit as disclosed in the Statement of Assets and Liabilities is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

4.8 Issue and redemption of units

Units of the Scheme shall be allocated on the basis of Purchase (Offer) Price applicable on the date of realization of subscription money into the bank account of the Scheme.

Units redeemed are recorded at the redemption price prevalent on the date on which the distributors receive redemption application during business hours on that date. The redeemed price represents the net assets value per unit less back end load, any duties, taxes, charges on redemption and any provision for transaction costs, if applicable.

4.9 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year. As more fully explained in note 1.3 to the financial statements, the Fund is required to make distribution on each business day.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

4.10 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between Net Asset Value (NAV) per unit on the issuance or redemption date, as the case may be, of units and the NAV per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend NAV of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

4.11 Revenue recognition

- Gains / (losses) arising on sale of investments are recorded at the date at which the transaction takes place.
- Profit on bank deposits and term deposit receipts is recognised on time proportion basis using the effective yield method.
- Unrealised gains / (losses) arising on re-measurement of investments classified as 'financial assets at fair value through profit or loss' are recorded in the period in which these arise.
- Income on sukuk certificates, placements and government securities is recognised on a time proportionate basis using the effective yield method except for the securities which are classified as non-performing asset under Circular 33 of 2012 issued by SECP for which the profits are recorded on cash basis.
- Income on bai muajjal is recognised on time proportion basis, the difference between the sale and the credit price is recognised over the credit period.

4.12 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee of the SECP are recognised in the Income Statement on an accrual basis.

4.13 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit. The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilised. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse, based on enacted tax rates.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001, subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. Moreover, super tax introduced in the Finance Act, 2015 is also not applicable on funds (Section 4B of the Income Tax Ordinance, 2001).

4.14 Earnings / (loss) per unit

Earnings / (loss) per unit is calculated by dividing the net income / (loss) of the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings / (loss) per unit (EPU) has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

4.15 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the Income Statement.

Preliminary expenses and flotation costs represent expenditure incurred prior to the commencement of operations of the Fund. These costs are amortised over a period of five years in accordance with the requirements set out in the Trust Deed of the Fund and the Non-Banking Finance Companies and Notified Entities Regulation, 2008.			

10	PAYABLE TO AL MEEZAN INVESTMENT MANAGEMENT LIMITED - MANAGEMENT COMPANY	Note	2020	2019
			(Rupees in '000)	
	Management fee payable	10.1	1,440	8,283
	Sindh Sales Tax payable on remuneration of the Management Company	10.2	187	1,077
	Selling and marketing expenses payable	10.3	34,569	-
			<u>36,196</u>	<u>9,360</u>

10.1 As per regulation 61 of the NBFC Regulations, 2008, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the Offering Document subject to the total expense ratio limit.

During the year, the Management Company has charged the remuneration at 5% of gross earnings of the Fund subject to minimum of 0.25% and maximum of 1% of average annual net assets. Effective from July 22, 2019, the Management Company has reduced charging of the remuneration from 5% to 2% of gross earnings of the Fund subject to minimum of 0.25% and maximum of 1% of average annual net assets and has charged accordingly at the same rates.

10.2 During the year, an amount of Rs. 11.289 million (2019: Rs. 3.264 million) was charged on account of sales tax on management fee levied through the Sindh Sales Tax on Services Act, 2011, and an amount of Rs. 12.179 million (2019: 2.187 million) has been paid to the Management Company which acts as a collecting agent.

10.3 The SECP has allowed the Asset Management Companies to charge selling and marketing expenses to all categories of open-end mutual funds (except fund of funds) initially for a period of three years (i.e from January 1, 2017 till December 31, 2019). The maximum cap of selling and marketing expense was 0.4% per annum of the net assets of the Fund or actual expenses whichever is lower.

During the year, the SECP through its circular 11 dated July 5, 2019 has revised the conditions for charging of selling and marketing expenses to a Fund. As per the revised guidelines, the maximum cap of 0.4% per annum has been lifted and now the asset management company is required to set a maximum limit for charging of such expense to the Fund and the same should be approved by the Board as part of annual plan. Furthermore, the time limit of three years has also been removed in the revised conditions.

Effective from July 22, 2019, the Management Company started charging selling and marketing expenses to the Fund. The Management Company, based on its own discretion determined a capping of 0.34% of the average annual net assets of the fund for charging of selling and marketing expenses to the Fund which had also been approved by the Board. The Management Company, based on its own discretion has suspended the charging of selling & marketing expenses from June 22, 2020.

11	PAYABLE TO CENTRAL DEPOSITORY COMPANY OF PAKISTAN LIMITED - TRUSTEE	Note	2020	2019
			(Rupees in '000)	
	Trustee fee payable	11.1	2,843	1,038
	Sindh Sales Tax payable on trustee fee	11.2	370	135
			<u>3,213</u>	<u>1,173</u>

11.1 The Trustee is entitled to a monthly remuneration for services rendered to the Fund under the provisions of the trust deed. Effective from July 1, 2019, the trustee has revised its tariff as under:

Net Assets (Rs.)	Previous Tariff		Revised Tariff
	Fee		
Up to Rs. 1 billion	0.15% per annum of net assets		0.065% per annum of Net Assets.
From Rs. 1 billion to Rs. 10 billion	Rs 1.5 million plus 0.075% per annum of net assets exceeding Rs 1 billion		
Exceeding Rs. 10 billion	Rs 8.25 million plus 0.06% per annum of net assets exceeding Rs 10 billion		

11.2 During the year, an amount of Rs 2.813 million (2019: Rs. 0.473 million) was charged on account of sales tax on remuneration of the Trustee levied through the Sindh Sales Tax on Services Act, 2011 and an amount of Rs 2.578 million (2019: 0.338 million) was paid to the Trustee which acts as a collecting agent.

12 PAYABLE TO THE SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN

In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay annual fee to the Securities and Exchange Commission of Pakistan (SECP).

Effective from July 1, 2019, the SECP vide SRO No. 685(I)/2019 dated June 28, 2019, revised the rate of annual fee to 0.02% of net assets, applicable on all categories of CISs. Previously, the rate of annual fee applicable to money market fund was 0.075%. Accordingly, the Fund has charged SECP Fee at the rate of 0.02% of net assets during the current year.

	Note	2020	2019
13 ACCRUED EXPENSES AND OTHER LIABILITIES		(Rupees in '000)	
Auditors' remuneration payable		282	200
Brokerage payable		1,341	85
Shariah advisor fee payable		540	538
Withholding tax payable		29,570	4,649
Provision for Sindh Workers' Welfare Fund (SWWF)	13.1	81,496	9,299
Payable to Central Depository Company of Pakistan Limited (CDC) - Trustee		77	-
Other payable		367	-
Zakat payable		755	13
		<u>114,428</u>	<u>14,784</u>

- 13.1** As a consequence of the 18th amendment to the Constitution of Pakistan, in May 2015 the Sindh Workers' Welfare Fund Act, 2014 (SWWF Act) had been passed by the Government of Sindh as a result of which every industrial establishment located in the Province of Sindh, the total income of which in any accounting year is not less than Rs 0.50 million, was required to pay Sindh Workers' Welfare Fund (SWWF) in respect of that year a sum equal to two percent of such income. The matter was taken up by the MUFAP with the Sindh Revenue Board (SRB) collectively on behalf of various asset management companies and their CISs whereby it was contested that mutual funds should be excluded from the ambit of the SWWF Act as these were not industrial establishments but were pass through investment vehicles and did not employ workers. The SRB held that mutual funds were included in the definition of financial institutions as per the Financial Institution (Recovery of Finances) Ordinance, 2001 and were, hence, required to register and pay SWWF under the SWWF Act. Thereafter, MUFAP had taken up the matter with the Sindh Finance Ministry to have CISs / mutual funds excluded from the applicability of SWWF. In view of the above developments regarding the applicability of SWWF on CISs/mutual funds, MUFAP recommended that, as a matter of abundant caution, provision in respect of SWWF should be made on a prudent basis with effect from the date of enactment of the SWWF Act, 2014 (i.e. starting from May 21, 2015).

Had the provision for SWWF not been recorded in the financial statements of the Fund for the period from December 28, 2018 to June 30, 2020, the net asset value of the Fund and accordingly, dividend payout as at June 30, 2020 would have been higher by Re. 0.08 per unit (2019: Re. 0.03 per unit).

14 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments outstanding as at June 30, 2020 and June 30, 2019.

	For the year ended June 30, 2020	For the period from December 28, 2018 to June 30, 2019
15 AUDITORS' REMUNERATION	(Rupees in '000)	
Statutory Audit Fee	297	200
Half Yearly Review Fee	122	-
Out Of Pocket Expenses	19	-
	<u>438</u>	<u>200</u>
16 TOTAL EXPENSE RATIO		

The Total Expense Ratio (TER) of the Fund as at June 30, 2020 is 0.94% which includes 0.28% representing government levies on the Fund such as provision for Sindh Workers' Welfare Fund, sales taxes, annual fee to the SECP etc. This ratio is within the maximum limit of 2% prescribed under the NBFC Regulations for a collective investment scheme categorised as a Money Market scheme.

17 TAXATION

The income of the Fund is exempt from income tax under clause (99) of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders. Since the management has distributed the required minimum percentage of income earned by the Fund for the year ended June 30, 2020 to the unit holders in the manner as explained above, no provision for taxation has been made in these financial statements during the year.

The Fund is also exempt from the provisions of Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. Moreover, super tax introduced in Finance Act, 2015 is also not applicable on funds as per Section 4B of the Income Tax Ordinance, 2001.

18 TRANSACTIONS WITH RELATED PARTIES / CONNECTED PERSONS

- 18.1** Connected persons include AI Meezan Investment Management Limited being the Management Company, the Central Depository Company of Pakistan Limited being the Trustee, Meezan Bank Limited being the holding company of the Management Company, Directors and Executives of the Management Company, other funds under the common management of the Management Company, Pakistan Kuwait Investment Company (Private) Limited being the associated company of the Management Company and unit holders holding 10 percent or more of the Fund's net assets.
- 18.2** Transactions with connected persons are executed on an arm's length basis and essentially comprise sale and redemption of units, fee on account of managing the affairs of the Fund, sales load, other charges and distribution payments to connected persons. The transactions with connected persons are in the normal course of business, at contracted rates and at terms determined in accordance with market rates.
- 18.3** Remuneration to the Management Company of the Fund is determined in accordance with the provisions of the NBFC Regulations, and the Trust Deed.
- 18.4** Remuneration to the Trustee of the Fund is determined in accordance with the provisions of the Trust Deed.
- 18.5** The details of transactions carried out by the Fund with connected persons during the period and balances with them as at period end are as follows:

21 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The risk management policy of the Fund aims to maximise the return attributable to the unit holders and seeks to minimise potential adverse effects on the Fund's financial performance.

Risks of the Fund are being managed by the Fund manager in accordance with the approved policies of the Investment Committee which provides broad guidelines for management of risk pertaining to market risks (including price risk, interest rate risk and currency risk) credit risk and liquidity risk. Further, the overall exposure of the Fund complies with the NBFC Regulations, 2008, and the directives issued by the Securities and Exchange Commission of Pakistan (SECP).

Risks managed and measured by the Fund are explained below:

21.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices.

The Management Company manages the market risk through diversification of the investment portfolio and by following the internal guidelines established by the Investment Committee.

Market risk comprises of three types of risks: profit rate risk, currency risk and price risk.

(i) Profit rate risk

Profit rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market interest rates. As of June 30, 2020, the Fund is exposed to such risk on its balances held with banks and investments in corporate sukuks, commercial papers, term deposit receipts and Bai Muajjal. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits.

a) Sensitivity analysis for variable rate instruments

The Fund's profit rate risk arises from the balances in savings accounts and investment in corporate sukuks and term deposit receipts. At June 30, 2020, if there had been increase / decrease of 100 basis points in interest rates, with all other variables held constant, net assets of the Fund for the period then ended would have been higher / lower by Rs 420.21 million (2019: Rs 129.99 million).

b) Sensitivity analysis for fixed rate instruments

The Fund's fixed rate risk arises from investments in commercial papers and Bai Muajjal. At June 30, 2020, if there had been increase / decrease of 100 basis points in interest rates, with all other variables held constant, net assets of the Fund for the period then ended would have been higher / lower by Rs 117.472 million (2019: Rs. 30.344 million)

The composition of the Fund's investment portfolio and KIBOR rates are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2020 is not necessarily indicative of the impact on the Fund's net assets of future movements in profit rates.

Profit rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet instruments is based on the settlement date.

The Fund's interest rate sensitivity related to financial assets and financial liabilities as at June 30, 2020 can be determined as follows:

----- 2020 -----						
Effective interest rate (%)	Exposed to profit rate risk			Not exposed to profit rate risk	Total	
	Up to three months	More than three months and up to one year	More than one year			
----- Rupees in '000 -----

Cumulative profit rate sensitivity gap		9,824,443	16,033,027	16,033,027		

(ii) Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

(iii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

21.2 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligation in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to daily redemptions at the option of unit holders. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is, therefore, to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

As per the NBFC Regulations, the Fund can borrow in the short-term to ensure settlement. The maximum limit of which is fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year ended June 30, 2020.

The table below summaries the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity dates. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month:

----- 2020 -----						
Within 1 month	More than one month and upto three months	More than three months and upto one year	More than one year and upto five years	More than 5 years	Financial instruments with no fixed maturity	Total
-----Rupees in '000-----						
Financial assets						
Balances with banks	38,829,879	-	-	-	-	38,829,879

--	-----------	-----------	---------	---	---	-----	------------

21.3 Credit risk

21.3.1 Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligation as it falls due. Credit risk arising on the debt instruments is mitigated by investing in rated instruments or instruments issued by rated counterparties of credit ratings of at least investment grade by the recognised rating agencies. The Fund receives a monthly rating update, against which investments are reviewed.

Credit risk arises from deposits with banks and financial instruments, profit receivable on balances with banks, receivable against conversion of units and credit exposure arising as a result of receivable against sale of investments. Credit risk arising on other financial assets is monitored through a regular analysis of financial position of brokers and other parties. For debt instrument settlement, Delivery versus Payment (DvP) mechanism applied by the Trustee of the fund minimises the credit risk. In accordance with the risk management policy of the Fund, the investment committee monitors the credit position on a daily basis which is reviewed by the Board of Directors of the Management Company on a quarterly basis.

The table below analyses the Fund's maximum exposure to credit risk:

2020		2019	
Balance as per statement of assets and liabilities	Maximum exposure to credit risk	Balance as per statement of assets and liabilities	Maximum exposure to credit risk

-----Rupees In '000-----

Balances with banks	38,829,879	38,829,879	7,673,651	7,673,651
Investments	14,938,606	14,938,606	8,359,401	8,359,401
Receivable against conversion of units	95,551	95,551	74,205	74,205
Profit accrued	184,297	184,297	160,695	160,695
Deposits	100	100	100	100
	54,048,433	54,048,433	16,268,052	16,268,052

The maximum exposure to credit risk before any credit enhancement as at June 30, 2020 is the carrying amount of the financial assets.

21.3.2 Credit quality of financial assets

The Fund's significant credit risk arises mainly on account of its placements in banks and profit accrued thereon and receivable against conversion of units and against investments. The credit rating profile of balances with banks is as follows:

Rating	% of financial assets	
	2020	2019
AAA	81.20	26.19
AA+	0.45	35.32
AA	18.34	38.49
	<u>100.00</u>	<u>100.00</u>

Ratings of corporate sukuk have been disclosed in related notes to the financial statements.

21.3.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic and industry factors similarly affect groups of counter parties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. As transactions are entered with credit worthy parties thereby any significant concentration of credit risk is mitigated.

All financial assets of the Fund as at June 30, 2020 are unsecured and are not impaired.

22 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2020, the Fund held the following financial instruments measured at fair values:

	2020		
	Level 1	Level 2	Level 3
	Rupees in '000		
Financial assets - at fair value through profit or loss			
Corporate sukuk *	-	675,000	-
Commercial papers **	-	2,466,695	-
Term deposit receipts - having original maturity of 3 months or less *	-	2,516,438	-
Bai Muajjal receivable **	-	9,280,473	-
	-	<u>14,938,606</u>	-

2019		
Level 1	Level 2	Level 3
Rupees in '000		
Financial assets - at fair value through profit or loss		
Corporate sukus *	675,000	-
Commercial papers **	1,558,584	-
Term deposit receipts - having original maturity of 3 months or less *	4,650,000	-
Bai Muajjal receivable **	1,475,817	-
	8,359,401	-

* The carrying value of these securities approximate their fair value since these are short term in nature and are placed with counter parties which have high credit ratings.

** The valuation of commercial papers and Bai Muajjal receivable have been carried out based on amortisation to their face values / sale price as per the guidelines given in Circular 33 of 2012 since the residual maturity of these investments is less than six months and they are placed with counterparties which have high credit rating.

23 UNIT HOLDERS' FUND RISK MANAGEMENT

The unit holders' fund is represented by redeemable units. These units are entitled to dividends and to payment of a proportionate share based on the Fund's Net Asset Value per unit on the redemption date. The relevant movements are shown on the 'Statement of Movement in Unit Holders' Fund'.

The Fund has no restriction on the subscription and redemption of units. As required under the NBFC Regulations, every open end scheme shall maintain fund size (i.e. net assets of the Fund) of Rs 100 million at all times during the life of the scheme. The Fund has historically maintained and complied with the requirements of minimum fund size at all times.

The Fund's objectives when managing unit holders' funds are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies as stated in note 21, the Fund endeavours to invest the subscriptions received in appropriate investment avenues while maintaining sufficient liquidity to meet redemptions, such liquidity being augmented by disposal of investments or short-term borrowings, where necessary.

24 UNIT HOLDING PATTERN OF THE FUND

Category	2020			2019		
	Number of unit holders	Investment amount (Rupees in '000)	Percentage of total	Number of unit holders	Investment amount (Rupees in '000)	Percentage of total
Individuals	2,820	9,360,957	17.55	1,794	5,985,067	37.09
Associated Companies /						
Directors	2	1,706,861	3.20	14	1,140,948	7.07

Mr. Arshad Majeed	Director	Yes	Yes	Yes	Yes	Yes
Mr. Muhammad Abdullah	Director	Yes	Yes	Yes	Yes	Yes
Mr. Naeem Abdul Sattar	Director	Yes	Yes	Yes	Yes	Yes
Syed Amir Ali Zaidi	Director	Yes	Yes	Yes	Yes	Yes

28 CORRESPONDING FIGURES

Corresponding figures have been re-classified and re-arranged in these financial statements, wherever necessary to facilitate comparison and to conform with changes in presentation in the current year. No significant rearrangements or reclassifications have been made in these financial statements during the current year.

29 DATE OF AUTHORISATION FOR ISSUE

These financial statements were authorised for issue by the Board of Directors of the Management Company on **August 13, 2020**.

30 GENERAL
30.1 Regulatory reliefs due to COVID - 19

The COVID – 19 pandemic has taken a toll on all economies and emerged as a contagion risk around the globe, including Pakistan. To reduce the impact on businesses and economies in general, regulators / governments across the globe have introduced a host of measures on both the fiscal and economic fronts.

The Securities and Exchange Commission of Pakistan (SECP) has provided the following relaxations to the asset management companies operating in Pakistan for a specific period:

- a) The time period to regularize the exposure limits breach under Regulation 55(13) of the NBFC Regulations has been extended from four months to six months;
- b) Maximum limit for application of discretionary discount as per the Annexure-I, Chapter 3 of Circular 33 of 2012 has been enhanced;
- c) The time period for classification of a debt security to non-performing category has been extended from 15 days to 180 days as per the requirements of Annexure-II of Circular 33 of 2012;
- d) Time period to ensure compliance with minimum fund size for Open End Schemes under Regulation 54(3b) of the NBFC regulations has been increased to 180 days for Open End Schemes;
- e) Time for announcement of daily NAV as per the regulatory requirement is extended from 18:30 pm to the start of the next working day.

30.2 Operational Risk Management

The Management Company is closely monitoring the situation and has invoked required actions to ensure safety and security of the staff and an uninterrupted service to the customers. Business Continuity Plans (BCP) for respective areas are in place and tested. The Management Company has significantly enhanced monitoring for all cyber security risk during these times from its information security protocols. The remote work capabilities were enabled for critical staff and related risk and control measures were assessed to make sure they are fully protected using virtual private network (“VPN”) connections. Further, the Management Company has also ensured that its remote access systems are sufficiently resilient to any unwanted cyber-attacks.

The Management Company has made an assessment of Covid-19 on the credit risk and liquidity risk and believes that there is no significant impact on the Fund.

30.3 Figures have been rounded off to the nearest thousand rupees unless otherwise stated.
